Dear Minister:
The COVID-19 pandemic has shown all of us that childcare is essential. It's time to invest in it accordingly.
I have signed the petition on the Childcare Is Essential website, and I firmly support all the calls it contains. Please read it and take steps to implement our calls — for the benefit of all Manitoba children, families and society as a whole.
Yours sincerely,

Hon. Heather Stefanson
Minister of Families

HOW-TO

1. Print this page. Use cardstock if you have it. If not, use plain printer paper.
2. Cut out the rectangles. If using cardstock, glue the two sides together to make a double-sided postcard. If you used regular paper, cut out a 4"x6" rectangle from a cereal box and glue the cardboard sandwiched between the front and back sides of the postcard.
3. Colour the postcard!
4. Legibly write your full name and full mailing address in the designated spot.
5. Place a stamp and put the postcard in the mail!
