Early Learning Program Planning Assumptions

The Early Learning Program will change how early learning and care programs and services are delivered to children and families in Ontario.

Here are the broad system changes to take into consideration when planning for your centre:

- Early Learning Program planning includes children prenatal to 12 yrs
- All eligible 4 and 5 year olds will enroll in the Full-Day Learning program
- All 4 and 5 year olds will leave the child care system within 5 years
- School Boards will operate extended day where the enrollment is sufficient
- Commercial operators are not eligible for new capital funding available to public and not-for-profit operators only
- see *Early Learning Program Impact Assessment*
