

I'm Voting for Child Care!

October 6th, 2011: Ontario Provincial Election

Affordable child care • More child care spaces • High-quality child care

Ontario will have a provincial election this fall, and each of us must do what we can to put child care on the agenda and ensure that the political parties are clear about their position on child care.

Candidates in our communities must know that we will be voting for child care, and that we need to hear a strong commitment from each party for funding to create more affordable high quality spaces and ensure decent wages for ECEs!

Get informed about the underfunding of child care, and help raise awareness in your community.

Take action! Advocacy doesn't have to be serious or time-consuming. Check out our list of small actions you can do in as little as 5 minutes or less!
