We celebrate the 25th CicLAvia in the Heart of the Foothills, as we connect the historic and dynamic communities of San Dimas, La Verne, Pomona, and Claremont. This 6.5 mile route is full of family-friendly activities throughout the scenic foothills, friendly neighborhoods, and iconic downtowns.

As we propel ourselves through the streets on foot, bike, skateboard, rollerblades, and other human-powered movement, there are no windshields to separate us and no ambient car sounds. Instead, those are replaced by conversations and joy in the streets. We'll explore old and new neighborhoods in the safety of car-free streets, and we'll connect with each other through shared adventures. Thank you for joining CicLAvia as we reimagine our cities and neighborhoods one ride, walk, stroll, dance, and smile at a time.
