

Cindy Allen

Hello friends!

I wanted to share a big update about our campaign!

We've been officially endorsed by Mayor Robert Garcia in our race for Long Beach City Council, District 2!

In announcing his endorsement, Mayor Garcia released the following statement:

"I've known Cindy for many years and have seen her love and passion for Long Beach. I greatly respect her service to our city as one of the first women in the Long Beach Police Department to work in the gang and investigative detail. She retired from the department with over 20 commendations and served with distinction. No one will be better prepared to lead on public safety issues than Cindy."

I am so grateful to receive the Mayor's endorsement. As a Councilmember, I will bring my experience as a public safety officer to keep our neighborhoods safe and work to end street homelessness through partnerships and compassion.

This big endorsement is proof that our campaign is picking up steam and growing stronger each day. We can't do this without your help, and your continuing support is key to winning!
