Pick-Up and Drop-Off Safety Tips

The school year is starting!
Let's all work together to keep everyone safe at drop-off and pick-up

Check out the DOs and DON'Ts
See what you can do to help make drop-off and pick-up safer and more efficient for everyone!

**DOs**

What you *should* do at drop-off and pick-up

**DO...**
Be patient, stay in line, and keep moving forward to fill in gaps

**DO...**
Exit the pick-up area safely, as soon as your student has entered the vehicle

**DO...**
Have school materials ready before students exit the vehicle

**DO...**
Park in the parking lot if you want to walk your student inside, talk to teachers, or other parents

**DO...**
Listen to the crossing guards and watch out for other cars, cyclists, and pedestrians
**DON’T Ts**

What you **should not** do at drop-off and pick-up

<table>
<thead>
<tr>
<th>DON’T...</th>
<th>DON’T...</th>
<th>DON’T...</th>
</tr>
</thead>
<tbody>
<tr>
<td>Speed</td>
<td>Leave your car unattended</td>
<td>Use the phone while waiting for your student or waiting to drop your student off</td>
</tr>
<tr>
<td>Leave your car unattended</td>
<td>Block entrances or exits</td>
<td>Drop-off or pick-up students in undesignated areas (disabled parking spots, fire lanes, etc.)</td>
</tr>
</tbody>
</table>

**Extra Safety Tips!**

- Do not let your students get out / into your car from the traffic side
- Respect the crossing guards
- Ask school staff questions you have about how to pick-up and drop-off students safety!

Let’s all work **TOGETHER** to keep our students **SAFE**
