

On Saturday August 28th 2021

presents the First Annual

FISH POND Regatta

Spectate from the excitingly vegetated shores of Fish Pond in North Adams, Massachusetts while corrugated cardboard watercraft race through a floating course out on the lake!

Ready to set sail? Come float your own boat!

The Open

Pre-Made Vessels

are made of your own corrugated cardboard, unfinished natural materials like logs, and empty plastic jugs. Everything comes together with the help of tape, rope, glue, and paint!

Pick up your duct tape and corrugated cardboard kit on the morning of the race and spend up to four hours building a boat to then immediately test in a

Pure Cardboard Day-Of Challenge

the Classic
