A few important notes about the online registration process and the CBA's electronic system:

- 1 . As always, if you have multiple teams, please code them as Red, White, Blue, Gold. So, for example, "Weston White."
- 2 . There are two tabs on the page. "Attendee Info" contains registration fields such as team name, school, teacher coach and contact information. "Attendee Selections" allows you to choose your date/location for your team.
- 3 . When filling in the "Attendee Information," in the "Your Name" field, please list your team name. The first name should be your school name, and the "last name," your color code or "High" (Ex. "Conard High" or "Weston Red"). The rest of the registration fields should be self-explanatory.
- 4 . After you complete the "Attendee Information page," go to "Attendee Selections" and choose your location/date under "Attendee Selections," If you are registering one team, click "Save and Finalize Registration" to go to the payment page. If you are registering multiple teams, click "Save and Add Another Attendee." That will bring up fields to allow you to name your second team, such as "Weston White," and then go to "Attendee Selections" to choose your location/date for your second team. Continue this process to continue adding teams, and then click "Save & Finalize Registration" when you're done adding teams.
- 5 . After you "Save and Finalize Registration," the system will bring up an online checkout page with your final amount. You may by credit card or electronic funds transfer/check.
- 6 . After you pay, you'll receive an e-mail confirmation from the CBA system, and a second receipt from BluePay confirming your payment.

7 . If you require an invoice from Civics First to allow you to register teams, or if you absolutely must send a paper check and cannot do online registration, please let us know at info@civicsfirstct.org. In that e-mail, please note your preferred date/location so that we can pencil you in and hold your spot. Our treasurer/bookkeeper will send you one.

8 . Location requests will be honored on a first-come, first-serve basis, and teams that register for locations that are full will be placed on a wait-list. We will contact teams that register for locations that are full, and work with you to arrange an alternate location/date. We will do our best to obtain additional courtrooms in order to accommodate everyone in their first choice location.

9 . Should you have any questions about the CBA's Registration System, please e-mail Attorney Tanya Gaul, the civics education and pro bono coordinator at the CBA, at tgaul@ctbar.org.

As with last year, we will also contact you a few days before the regional tournament to give you matchups and other information, including room assignments when available.
