[COLLAPSED] The government of Israel has announced its intention to formally incorporate portions of Palestinian territory into the state of Israel in July, 2020. For years, the Government of Canada has advocated for a peaceful solution between Israel and the Palestinians, where each people has its own country and lives in peace and security with its neighbour. Of the following options, how do you believe the Government Canada should react to Israel's plan?

[COLLAPSED] The government of Israel has announced its intention to formally incorporate portions of Palestinian territory into the state of Israel in July, 2020. For years, the Government of Canada has advocated for a peaceful solution between Israel and the Palestinians, where each people has its own country and lives in peace and security with its neighbour. Of the following options, how do you believe the Government Canada should react to Israel's plan?
