HPD BIKE PATROLS!

HPD is doing Bike Patrols for all of Clear Lake City. The Houston Police Clear Lake Division has implemented an overtime program to have HPD Officers who are certified in police bike patrol to ride in the entire Clear Lake (Houston) area. They will be in full police uniform and will be riding black and white police bikes that have HPD decals on them. It is usually during the late mornings to early afternoon and can be any day of the week, they will also be paired up. The Officers will be in constant contact with the Southeast sector dispatch and will be able to respond to citizen concerns if they are close to the call location. Please don't hesitate to call the police if you observe any suspicious persons, vehicles, or activity. What is suspicious activity you ask? Anything YOU think is out of the ordinary! Please don't think you are bothering the police with something trivial, let them investigate to determine if something nefarious is taking place. It is better to be safe than sorry!
