Independent Auditor's Report

To the Board of Trustees

Clear Lake City Community Association, Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of Clear Lake City Community Association, Inc., which comprise the balance sheets as of June 30, 2017 and 2016, and related statements of revenues, expenditures and changes in fund balances and cash flows for the years then ended.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independent Auditor's Report (Continued)

To the Board of Directors of Clear Lake City Community Association, Inc.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial positions of Clear Lake City Community Association, Inc. as of June 30, 2017, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Disclaimer of Opinion on Required Supplementary Information

Accounting principles generally accepted in the United States of America require that Supplementary Information on Future Major Repairs and Replacements on page 14 - 19 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Financial Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management is responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Note 1 - Organization

Clear Lake City Community Association, Inc. (the "Association"), a Texas non-profit corporation, was incorporated March 1963, organized for exclusively civic, educational, and recreational purposes, and to provide for maintenance, preservation and architectural control of properties within the boundaries of Clear Lake City Community Association's jurisdiction, and to promote the health, recreation, and well-being of the residents of the community. Association policies and procedures are determined by the Board of Trustees.

Note 2 - Date of Management's Review

In preparing the financial statements, the Association has evaluated the events and transactions for potential recognition or disclosure through December 6, 2018, the date the financial statement were available to be issued.

Note 3 - Summary of Significant Accounting Policies

Fund Accounting

The Association uses fund accounting which requires funds allocated for future major repairs and replacements be classified separately from funds available for general operations. Financial resources are classified for accounting and reporting purposes in the following funds established according to their nature and purpose:

Operating Fund – This fund is used to account for financial resources available for the general operations of the Association.

Replacement Fund – This fund is used to account for financial resources designated for future repairs and replacements.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting, whereby income is recognized when earned and costs and expenses are recognized when the obligations are incurred.

Cash

Cash includes cash and cash equivalents, defined as liquid investments with original maturities of three months or less.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Note 3 - Summary of Significant Accounting Policies (Continued)

Fair Value of Financial Instruments

The Association's financial instruments are cash and cash equivalents, accounts receivable, prepaid expenses and accounts payable. The recorded values of the cash and cash equivalents, investments, accounts receivable, prepaid expenses and accounts payables approximate their fair values based on their short-term nature.

Note 4 - Uninsured Cash Balance

The Association maintains its cash balances in a financial institution located in Houston, Texas. Accounts at the institution are secured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. As of June 30, 2017 and 2016, all the cash balance was insured by FDIC.

Note 5 - Certificates of Deposits

Certificates of deposits are recorded at cost, and are held in various financial institutions by UBS Financial Services. Accounts at the institutions are secured by the Federal Deposit Insurance Corporation (FDIC) up to \$ 250,000. As of June 30, 2017 and 2016, all the balances of Certificate of Deposit are insured by FDIC.

The Association's policy is to hold investments until maturity; therefore, there are no gains or losses recognized on the accompanying Statements of Revenues and Expenses. The aggregate fair value of the investments as of June 30, 2017 and 2016 are \$ 943,952 and \$ 978,823, respectively. The gross unrealized losses and gains as of June 30, 2017 and 2016 are \$ (4,395) and \$ 3,239, respectively.

Note 6 - Assessments and Assessments Receivable

Certain residential and commercial properties in Clear Lake City are subject to an annual community service charge at the rate of eight (8) mills per square foot. The annual mill assessments are collected to meet the Association's normal operating costs and, at the Board of Trustees' discretion, to fund reserves for the repair and replacement of the capital components. The annual community service charge shall not be raised above eight (8) mills per square foot of area, unless raised by the owners of a majority of the square foot area of the lots or property in all of said sections paying such charges. To secure payment of the assessments, a continuing lien covenant runs with the property assessed. This assessment fee is recognized as it is earned. Bad debts are provided on the allowance method (estimate not an actual loss) based on the Association's evaluation of outstanding receivable. The allowance for doubtful accounts was \$50,124 and \$50,124 at June 30, 2017 and 2016.

Note 7 - Assessments Received in Advance

Assessments received in advance at the balance sheet date represent payments received from association members during the current year, which relate to maintenance assessments for the subsequent year.

Note 8 - Retirement Plan

The Clear Lake City Community Association, Inc. maintains a SIMPLE IRA retirement plan described under IRC section 408 (p). Employees of the Association are eligible to participate in the plan if they are expected to earn \$ 5,000 during the plan year or received \$ 5,000 during each of the two preceding calendar years. The Association provides a matching contribution up to 3% for 2017 and 2016 of the participant's compensation subject to certain limitations imposed by law. All contributions under the SIMPLE plan are fully vested and non-forfeitable.

Note 9 - Tax Exempt Status and Federal Income Tax

The Association is exempt from federal income under section 501(c) (4) of the Internal Revenue Code. Tax exempt status is based upon the Association promoting the common good and well-being of the community and general public, primarily to bring about civic betterment and social improvement. For the years ended June 30, 2017 and 2016, the Association filed a Return of Organization Exempt from Income Tax.

The Association adopted the accounting for uncertainty for income tax guidance, which clarifies the accounting and recognition for tax positions taken or expected to be taken in its income tax return. An entities status, including its status as a tax exempt not for profit entity, is included in the definition of a tax position.

The Association's tax filings are subject to audit. The Association's federal income tax returns for 2014, 2015 and 2016 remain open to examination by the Internal Revenue Service. In evaluating the Association's tax provisions and accruals, the Association believes that its estimates are appropriate based on current facts and circumstances.

Note 10 - State Franchise Tax and Sales Tax

The Association is exempt from Texas franchise tax as specified under Section 171.082 of the Texas Tax Code as a homeowners' association. The Association is exempt from sales tax as a qualifying 501(c) (4) Association.

Note 11 - Property and Equipment

Real property and common areas acquired from the developer and related improvements to such property are not reflected on the Association's financial statements. Those properties are owned by the individual unit owners in common and not by the Association. The Association capitalizes significant real and personal property to which it has title or other evidence of ownership at cost.

Major classifications of property, equipment and furniture at June 30, 2017 and 2016, and their respective lives are summarized below:

	June 30, 2017		Jı	ine 30, 2016	Useful life
Building and Improvements	\$	1,999,636	\$	1,908,925	3-39
Office equipment		17,356		17,356	3-20
Machinery and equipment		189,554		182,235	3-15
Furniture and fixtures		78,821		78,821	3-15
Recreation equipment		54,385		51,185	3-5
		2,339,752		2,238,522	
Less: accumulated depreciation		(1,707,525)		(1,638,930)	
	\$	632,227	\$	599,592	

Depreciation is calculated using straight line method. Depreciation expense for the years ended June 30, 2017 and 2016 totaled \$ 68,595 and \$ 76,260, respectively.

Note 12 – Prior Period Adjustment

Prior period adjustment represents the balance adjustment of Other Receivable.

Note 13 - Future Major Repairs and Replacements

The Association's governing documents do not require that funds be accumulated for future major repairs and replacements, but such determination can be made by the Board of Trustees. The purpose of the annual assessments are to (1) provide the working capital necessary to meet the Association's annual operating expenses and (2) maintain a reserve for repair or replacement of the capital components of the Association. Accumulated funds are held in separate cash and investment accounts and are generally not available for expenditures for normal operations.

Funds are being accumulated in the replacement fund based on estimates of future needs for repairs and replacements of common property components. The Board determined that \$ 1 million should be kept in replacement fund. Actual expenditures may vary from the estimated future expenditures and the variations may be material. Therefore, amounts accumulated in the replacement fund may not be adequate to meet all future needs for major repairs and replacements.

Note 14 - Subsequent Events

Upon evaluation, the Association notes that there were no material subsequent events between the date of the financial statements and the date that the financial statements were issued or available to be issued.

An independent engineer conducted a study on February 14, 2010 to estimate the remaining useful lives and the replacement costs of the components of the Association's common property. The following information is based on the study and presents significant information about the components of common property. At the June 30, 2017 fiscal year-end, the Association's reserve fund balance was \$1,000,000.
