

As feminists, we are using our power to cut ties to the war economy where weapons manufacturers make a killing on killing. If you too believe in **Feminism NOT Militarism**, help us organize to:

Divest your Congressperson

Tell your congressperson to take the pledge to stop taking money from weapons companies profiting from war and destruction!

Divest your School

Start a campaign to divest your campus from the War Machine!

Divest your City

Did you know your local tax dollars help support weapons manufacturers? You have the power to tell your city council to divest from the war machine!
