

Neighbourhood Teams!
Help us look after each other during this time.
Do you need help? Are you willing to help?

I am your neighbour, and I am wanting to bring us together to look after each other during this COVID19 crisis. I am wondering two things: Do you need any help? Will you be a part of our team looking after each other?

First, can we share our contact information?

Second, are you willing to be on our neighbourhood team (yes/no)

If so please drop this card at my house and I will arrange a virtual meeting to connect us and decide how we can respond to our neighbourhood's needs.

Third, do you need some help during this time? If so drop this card off or give me a call.
