#StopTheSpread

Hello Neighbor. I live at \_\_\_\_\_.

You're invited to participate in a Block Program sponsored by the Calgary Alliance for the Common Good. We want to help our neighbors stay safe and feel connected during these challenging times. We would like to connect our community so that we can provide support to each other. Some areas where you might need help could include food deliveries, snow shoveling, lawn mowing, or a phone call to ward off the loneliness. Or, perhaps, you can help with one of those tasks. Perhaps you don't need help now but you may in the future. As this pandemic unfolds none of us know what we may need or be able to give a month or six weeks from now. By building a network now we are hoping to make life a little bit easier for everyone.

If you are interested please contact \_\_\_\_\_ at \_\_\_\_\_ or at: \_\_\_\_\_ or drop this note back with your contact information. Be sure to include your name, address, and contact information.
