Appendix: Example of Project Goals

What Will You Accomplish?	By When Will You Do This?
1. We will educate 30 of our members about sustainable energy. How will you do this? We will host two meetings with a local expert in sustainable energy.	October 2021
2. We will help 20 of our members find resources to help them pay their gas and electric bills. How will you do this? We will host a meeting with the Community Action Agency at our church. 30 people will attend.	February 2022
3. We will educate 10 of our members about simple ways they can weatherize their homes. How will you do this? We will host a presentation by Sustainergy about weatherization.	October 2021
4. We will help at least 2 of our members to take some cost-effective steps to begin to weatherize their homes. How will you do this? We will involve members of our block group who have home repair skills to install weather stripping and insulation in 2 members' homes.	April 2022
