

TCBN Retreat - August 28th 2021 COVID Safety Measures

1. Temperature check to be conducted with touchless thermometer before attendees enter the bus or if driving themselves before entering the pavilion. Temperature cannot exceed 38 degrees celsius. Anyone with a fever will not be permitted to enter the bus or pavilion and attend the day's festivities. Temperatures will be tracked via spreadsheet/notebook.
2. **ALL** staff, attendees and vendors are to complete a self-assessment screening questionnaire. This will consist of government of Ontario screening questions, name, email and phone number on a google form accessible via QR Code. Proof of completion must be shown to staff prior to entry of the bus or pavilion. Attendees must complete the form the day of the event, not sent prior.
3. Masks are required when physical distancing is not available or when entering inside a facility. Washroom and bus - masks are required. Getting food via buffet will require masks. Masks should be worn at all times by staff - chef and food service especially. When seated at tables, masks may be removed.
4. Hand Sanitizer will be readily accessible throughout the venue, especially at the entrance, near food and by activities where touching surfaces is a common occurrence.
5. Disinfectant/ sanitizing wipes will be used to wipe down surfaces and the microphone between speakers.
6. When serving food - gloves will be worn by TCBN staff and chefs along with masks.
