

COMMUNITY RETAIL VISION

mondo™

Phase 1

Establish a Local Community Retailer

- Create local jobs
- Keep energy profits in the community
- Support community projects
- Access to energy coaches
- Comparable tariffs

Phase 2

Share Locally Produced Renewable Energy

- Access to other member's locally produced solar energy
- Flexible tariffs designed for energy sharing and mini-grids
- Option to top-up to 100% renewables (grid sourced green energy)

Phase 3

100% Local Generation

- Access locally produced renewable energy to compliment your own energy production (solar/wind/hydro)
- Local energy marketplace
