# Home Water Well System

Providing low-interest loans for construction or repair of wells

Serving the San Joaquin Valley since 1965

## About Self-Help Enterprises

Self-Help Enterprises has dedicated 50 years to self-help housing, sewer and water development, housing rehabilitation, multi-family housing and homebuyer programs in the San Joaquin Valley of California.

The goal of Self-Help Enterprises is to help farm laborers and other low-income families to help themselves.

## Home Water Well System Program

The Household Water Well System Program (HWWS) is a grant program funded by the USDA Rural Development Utilities program.

The program provides low-interest loans to qualified home owners for construction, refurbishment or servicing of an individual household water well system.

## The HWWS Program assists those who:

- Reside in rural areas of Madera, Merced, Stanislaus, Kings, Tulare, Fresno or Kern Counties
- Own and occupy their home
- Need installation, repairs or servicing of a water well system
- Meet the income requirement of \$62,883

## Loan Information:

- The loan is a maximum of \$11,000 with 1% interest for a term of up to 20 years
- A monthly payment of \$50.59 is required
- The loan is recorded as a Deed of Trust and an executed Promissory Note
- Loan recipients are required to hold insurance on home and annual verifications of residency and insurance will be conducted
