Community Water Center (CWC) is working to protect access to water during the COVID-19 outbreak. We believe all communities should have access to safe, clean, and affordable water. This fact sheet provides information on key resources and helps answer common questions.

CONTACT CWC: We want to hear how your access to clean water is being impacted and ensure your concerns are heard by state and local decision-makers. Email us: info@communitywatercenter.org Call us: (559) 733-0219 Web: communitywatercenter.org Twitter: @CWaterC Facebook: @communitywatercenter

Statewide Information and Know Your Rights

**Water and Utility Shutoffs**
Governor Newsom issued a statewide moratorium on water shutoffs on April 2, 2020 that immediately bans all water shutoffs and requires reconnections if your water was shut off on or after March 4. You can report issues with water shutoffs or reconnections here: [https://watershut-off.covid19.ca.gov/](https://watershut-off.covid19.ca.gov/). The CA Public Utilities Commission has resources on electricity and private water systems shut offs at: [www.cpuc.ca.gov/covid19protections/](http://www.cpuc.ca.gov/covid19protections/)

**Coronavirus (COVID-19) Disaster Relief Assistance for Immigrants**
California is providing one-time state-funded disaster relief assistance to undocumented adults who are ineligible for other forms of assistance. Starting on May 18, 2020, twelve immigrant-serving nonprofit organizations will help individuals apply for and receive this disaster relief assistance in their region.
