

**APPENDIX A - City Inventory of Programs and Services for Older Adults - July 2018**

<b>DEPARTMENT ON DISABILITY</b>						
<b>Program / Service</b>	<b>Service Location(s)</b>	<b>Contractual Requirements / Performance Metrics (FY2018)</b>	<b>Estimated Cost (FY2018)</b>	<b>Funding Source</b>	<b>Service Delivery Model</b>	<b>Contractor Name / Contract #</b>
<b><u>Emergency Evacuations</u></b>	Varies	Assisted 40 seniors during Creek and Skirball Fire	DoD does not separately track costs for programs/services for older adults.	City General Fund	In-house	NA
<b><u>Project Care</u></b> - Provide older adults with volunteer gift wrapping services.	Citywide	Two DoD volunteers assisted seven older adults	None	Staff donations	In-house	NA
<b><u>Education, outreach, and referral</u></b> - Make presentations to older adults with disabilities, attend events for older adults to promote DoD, field constituent calls and refer callers to available supportive resources related to accessibility and disability issues.	Citywide	<ul style="list-style-type: none"> <li>• 1 presentation on City services</li> <li>• 4 outreach events</li> <li>• 25 constituents assisted via telephone</li> </ul>	DoD does not separately track costs for programs/services for older adults.	General Fund	In-house	NA
<b><u>Sidewalk Repair Program - Access Request</u></b> - Provide guidance and intake support for constituents seeking to report various sidewalk conditions, and specifically, to facilitate an access request related to built, but non-compliant, conditions for sidewalk surfaces and features including curb ramps or other accessible elements.	Citywide	DOD seeks to process an active, dynamic intake rate of approximately 25 access requests per week, or 100 per month, or 1,200 per year, and we are currently maintaining production trends in-line with these projected goals and quantities.	No information provided	No information provided	In-house	NA
<b><u>AIDS Coordinator's Office</u></b> - Develop and support programs and policies that prevent the transmission and acquisition of HIV and improve the quality of life for people living with HIV/AIDS in the City. Sample services include training, providing syringe exchange services, and health education.	Citywide	<p>Provide services to approximately 1,300 older adults per year.</p> <p>Collaborated with AIDS project Los Angeles on research study to learn about the psycho social needs among older (age 50+) gay men living with HIV/AIDS in LA County.</p>	No information provided	General Fund	In-house	NA
