Community Recognition Awards 2019

Do you know someone in our community who deserves to be recognised for the work they do?

There are many people who go above and beyond within our community and often their work goes unnoticed. I would like to recognise and thank these people because it is often the lesser known contributions that make the biggest difference to the lives of others.

If you know of someone who deserves to be recognised, please nominate them below. It could be a simple act of kindness, a commitment to a cause or club, the care they provide for family or friends or something that our community should be truly thankful for.
