

GARY HIGGINS
OPPOSITION LEADER

Crime heads north

This morning's reports that there has been nine break-ins within under two hours across the Darwin northern suburbs overnight reinforces the Labor government's soft stance on crime.

The Leader of the Opposition, Gary Higgins, said that Territorians are tired of constant crime damaging their homes, their vehicles and their businesses.

"Put simply, Territorians do not feel safe.

"Business is tough enough in the current economic climate without being burdened with the extra cost and inconvenience of break-ins, lost stock and property damage.

"There must be clear consequences enforced on the perpetrators.

"It is clear that the Chief Minister's measures are not working, despite the best efforts of our hardworking Police Force," said Mr Higgins.
