**NAIF investment hooks jobs for Territorians**

The Opposition welcomes today's exciting announcement of \$7.18 million for Humpty Doo Barramundi from the Northern Australia Infrastructure Facility (NAIF).

Leader of the Opposition, Gary Higgins said that the \$7.18 million loan to the locally owned and operated firm Humpty Doo Barramundi reinforces the world-class opportunities the Territory presents.

"The additional employment opportunities for Territorians and the pioneering facilities that the barramundi farm will offer as a result of this funding is very exciting.

"As the largest producer of farmed barramundi in Australia, Humpty Doo Barramundi is an exceptional business that takes the Territory to the world on a plate.

"The NAIF is a fantastic vehicle to assist in further developing the Northern Territory for the betterment of all Territorians, and I look forward to the next projects as they are announced," said Mr Higgins.
