## NOTICE OF A PUBLIC HEARING

**NOTICE IS HEREBY GIVEN** that the Board of Supervisors of the County of Santa Clara will hold a public hearing regarding the Stanford University General Use Permit (GUP) Application (Application), Stanford GUP Environmental Impact Report (EIR), Mitigation Monitoring and Reporting Program (MMRP), Stanford University Community Plan amendments, Zoning Ordinance amendments, Water Supply Assessment, and Development Agreement application. **Project Location:** Stanford University Community Plan Area consisting of approximately 4,017 acres located in the northwest corner of Santa Clara County adjacent to San Mateo County (see diagram below). Supervisorial District: 5. File Nos. PLN98-7165 (7165-98P-99GP-99EIR) and PLN16-7165 (7165-16P-16GP-16EIR).

The Board of Supervisors will take action on the EIR, GUP Application, Community Plan and Zoning Ordinance amendments, Water Supply Assessment, and Development Agreement application at the close of the public hearing. **The hearing dates are listed below and the Board of Supervisors may take formal action on any of the hearing dates specified below.**

The Application requests authorization from the County of Santa Clara to construct up to 2,275,000 additional net new square feet of academic development, 2,600 new student beds (1,225,000 net new square feet), 550 faculty/staff housing units, and 40,000 square feet of childcare/trip reducing facilities and 50,000 square feet of temporary surge space.

The Stanford University GUP Final EIR was published by the County in December 2018 and evaluates potential environmental impacts from the project as proposed by Stanford University in the Application. A complete environmental analysis for Additional Housing Alternatives A and B was also prepared and circulated for public comment by the County, and included in the EIR, to evaluate the environmental impacts of constructing additional housing to accommodate the academic development proposed in the Application. Additional Housing Alternative A evaluated the environmental impacts of constructing 2,892 housing units and 2,807 beds. Additional Housing Alternative B evaluated the environmental impacts of constructing 1,825 housing units and 2,600 beds. The Planning Commission forwarded a favorable recommendation to the Board of Supervisors to adopt Additional Housing Alternative A. The Board of Supervisors may adopt Additional Housing Alternative A, the project as proposed by Stanford University, or one of the other alternatives in the EIR.
