INDEPENDENT AUDITOR'S REPORT

To the Directors of Canadian Mental Health Association - Cowichan Valley Branch 1992

Report on the Financial Statements

Opinion

We have audited the financial statements of Canadian Mental Health Association - Cowichan Valley Branch 1992 (the Association), which comprise the statement of financial position as at March 31, 2020, and the statements of changes in net assets, revenues and expenditures and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Association as at March 31, 2020, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Association in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with those requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the

Independent Auditor's Report to the Directors of Canadian Mental Health Association - Cowichan Valley Branch 1992 *(continued)*

going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Association's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to
 fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
 evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not
 detecting a material misstatement resulting from fraud is higher than for one resulting from error, as
 fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of
 internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

As required by the British Columbia Societies Act, we report that, in our opinion, the Society's financial statements have been prepared following Canadian accounting standards for not-for-profit organizations..

1. OPERATIONS

Canadian Mental Health Association – Cowichan Valley Branch 1992 (the "Association") is a Not-for-Profit community agency whose mission is to improve the mental health of people in the Cowichan Valley through public education and promotion of mental health. Its charitable objectives are to develop, operate and support the highest possible level of mental health services, to develop community advocacy and advisory capacity, to provide family support and education and to generate and encourage activities designed to promote mental health and well-being and connections between individuals and groups in the Cowichan Valley Communities which contribute to and facilitate on-going positive relationships.

The Association is registered as a Charity under the Income Tax Act (13990 7772RR) and is therefore tax-exempt under Section 149(1)(f).

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Donated services

If donated services are received by the Association the value of these services is not recognized in these statements.

Accounting standards

These financial statements have been prepared in accordance with standards for Not-for-Profit Organizations which is one of the financial reporting frameworks included in Canadian Generally Accepted Accounting Standards.

Tangible capital assets

Tangible capital assets are stated at cost less accumulated amortization. Tangible capital assets are amortized over their estimated useful lives at the following rates and methods:

Leasehold interest	60 years	straight-line method
Motor vehicles	30%	declining balance method
Computer equipment	30%	declining balance method
Furniture and fixtures	20%	declining balance method

The leasehold interest is amortized over the 60 year lease period held on property known as Warmland House.

One-half of the year's amortization is recorded in the year of purchase and none in the year of disposal.

Fund accounting

The Association follows the deferral method of accounting for contributions. The Operating Fund reports unrestricted and restricted assets, liabilities, revenues and expenses related to the Association's activities. The Capital Asset Fund reports the ownership, liabilities and equity related to the Association's capital assets.

Notes to Financial Statements

Year Ended March 31, 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Cash

Cash includes cash on hand and balances with banks net of bank overdrafts.

Revenue recognition

Revenue consists of contracts, fees for services, donations and contributions, grants, rental revenue, memberships, fundraising events and interest from savings.

Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Endowment contributions are recognized as direct increases in net assets.

Restricted investment income is recognized as revenue in the year in which the related expenses are incurred. Unrestricted investment income is recognized as revenue when earned.

Rental revenue is recorded as it becomes receivable on the first of the month by tenants or the Ministry subsidizing the unit. Rental deposits are deferred until forfeited for partial rent payments, retained for repairs upon change in occupancy or returned to the tenants.

Estimates

The preparation of these financial statements in conformity with Canadian Accounting Standards for Not-for-Profit Organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the current period. All estimates are reviewed periodically and adjustments are made to the statements of operations as appropriate in the year they become known.

Financial Instruments

Financial instruments are recorded at fair value when acquired or issued. In subsequent periods, financial assets with actively traded markets are reported at fair value, with any unrealized gains and losses reported in income. All other financial instruments are reported at amortized cost, and assessed for impairment at each reporting date. Transaction costs on the acquisition, sale, or issue of financial instruments are expensed when incurred.

3. FINANCIAL INSTRUMENTS

The Association's financial instruments consist of cash, accounts receivable, term deposits, accounts payable, accrued liabilities, and security deposits. It is the board's opinion that the Association is not exposed to significant credit risk, market risk or currency risk arising from these financial instruments as of March 31, 2020.

Notes to Financial Statements

Year Ended March 31, 2020

3. FINANCIAL INSTRUMENTS (continued)

Interest rate risk

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in the interest rates. In seeking to minimize the risks from interest rate fluctuations, the Association manages exposure through its normal operating and financing activities.

The exposure of the Association to interest rate risk arises from its interest bearing term deposits. The Association manages its exposure to interest rate risk through contracts stating the guaranteed rate. Fluctuations in market rates of interest on the term deposits do not have a significant impact on the Association's results of operations.

4. ACCOUNTS RECEIVABLE

		2020	2019

	<u>\$</u>	26,140	\$ 160,120

Management of the Association believes all of the contract receivables are fully collectable, therefore there is no allowance for doubtful accounts provision in the current or prior year.

12. B.C. HOUSING FORGIVABLE MORTGAGE PAYABLE

This mortgage is a forgivable mortgage secured by a second charge over the leasehold interest with a net book value of \$6,889,545 (2019 - \$6,999,460) to be forgiven over 25 years which commenced in 2020. The Warmland House building must have been used for the intended purpose of providing affordable housing during the 10 years prior to forgiveness commencing and continue to be used for this purpose during the forgiveness term. In the current year, the property was operational and did meet the terms of this contract by providing affordable housing for twelve months.

13. ECONOMIC DEPENDENCE

The Association is economically dependent on continued government contracts.

14. FUNDS HELD IN TRUST

The RBC mortgage has been advanced at an amount higher than the current required mortgage funds to allow extra funds to cover the estimated costs to complete the property shown as the leasehold interest. Per B.C. Housing, these funds can be used to complete the property, and if not utilized for this purpose will continue to be held in trust until the mortgage renews and will then be applied to the outstanding principal. These funds can be used for capital expenditures relating to the leasehold interest upon the review and approval of B.C. Housing. This fund earned interest of \$4,716 (2019 - \$4,376) during the year.

16. CONTINGENT LIABILITIES

Claims against the Association were filed in the year, however, there is no amount known or measurable and the Association has sought legal advice in reponse to the claims. Legal advice obtained indicates that it is unlikely a significant liability will arise although there will likely be a claim.

17. SUBSEQUENT EVENT

In March 2020, the COVID-19 outbreak has caused governments worldwide to enact emergency measures to combat the spread of the virus. These measures, which include the implementation of self-imposed quarantine periods and social distancing measures that could have a significant impact on the services offered by the Association as well as many other businesses worldwide. At this time, it is not possible to reliably estimate the length and severity of the impact the COVID-19 outbreak may have on the Association's financial results for 2020 and beyond.

18. RELATED PARTY TRANSACTIONS

In 2020 there was \$4,125 included in office expenses that was paid to a spouse of one of the staff members for IT services rendered (2019 \$3,375). There was also \$112 (2019 - \$22,575) included in program expenses for a contractor who was also the treasurer on the board. The transactions were conducted in the normal course of business at an agreed upon rate. As well, there was one employee (executive director) earning remuneration over \$75,000 at \$90,887 in the 2020 fiscal year.
