

Thank you

2020 has been a difficult year but we are doing our best in the circumstances.

I am so proud of how we have all risen to the challenges presented by the coronavirus pandemic. We have taken on extra duties in educating our young while also supporting the more vulnerable in our community.

Many have endured great financial and mental pressures as a result of losing income. And yet we still go about our altered but daily routine duties.

We are showing our resilience and our strength by confronting the fears and frustrations caused by this virus. And I would like to say a thank you to you all.

Thank you for doing the right thing. Thank you for putting the collective benefit before self-interest. Thank you for following staged restrictions – it has saved lives.

If you are a healthcare worker or an essential worker – a special thank you for your tireless efforts.

Together, we will get through this.

BUDGET MILESTONES

Pedestrian Safety Upgrade at South Gippsland Highway and Lynbrook Boulevard

The State Government recently completed the \$200,000 upgrade to improve road safety and save lives at the busy South Gippsland Hwy and Lynbrook Boulevard intersection.

Planning is now underway for a children's emergency department at Casey Hospital. Changes to existing emergency departments will mean that children and their families get the support they need when they need it most.

New Children's Emergency Department at Casey Hospital

LOCAL WINS

New Narre Warren South Scout Hall

Narre Warren South Scouts will get to enjoy a brand new scout hall. Construction should start later this year thanks to a \$650,000 State Government investment alongside the City of Casey's contribution. This project will provide a new facility for the whole community.

Clyde Road Level Crossing Removal

As part of the state-wide level crossing removal project, the Clyde Road works will begin in June. With estimated completion in 2022, the removal of this level crossing and a new bus interchange at Berwick Station will make it easier for everyone to travel more quickly and safely.

DELIVERING FOR NARRE WARREN SOUTH

Sweeney Reserve Pavillion Complete

The State Government invested \$1.21m towards this project. The City of Casey matched this contribution to deliver a new pavilion at Sweeney Reserve - complete with a new community room, changerooms, first aid room and commercial kitchen.

Hampton Park Secondary College

Hampton Park Secondary College are using the \$6.5m investment delivered by the Andrews Government to upgrade their facilities, including a new STEAM centre and flexible classrooms. These projects are currently in the design development and tendering phases.
