

SUMMER OF RESISTANCE!

Upcoming Meetings of Crenshaw Subway Coalition at our brand new The Umoja Center

The Crenshaw community is under attack from gentrification, speculators and developers who want to profit off the community WE built and the public investments WE fought for to push us out. **RISE UP** to make sure your voice is heard about several major attacks, developments and programs happening now, and help preserve our community.

All Meetings at THE UMOJA CENTER in Leimert Park: 3347 W. 43rd St, Los Angeles, CA

Wed Sept 4 6:30p Topic Highlight: What the Heck is Going on in Leimert Park Village?

- TEAR DOWN THAT FENCE around Leimert Park!
- Developers & outsiders want to take away the public parking lots to build luxury housing. We say NO to that, and say YES to the plan for a Black Cultural & Conference Center!
- *Tenant Clinic by ACCE happening at the same time. Having problems with your landlord? Speak to a tenant rights attorney about it.*

Mon Sept 9 6:30p Topic Highlight: Transit-Oriented Communities Program

- The city has created a controversial program that allows developers to build bigger/taller, threatens to displace long-time residents & will disrupt our fragile neighborhoods.

Wed Sept 18 6:30p Topic Highlight: Dorset Village Displacement & Demolition at Nipsey Hussle Square

- *LOCATION CHANGE* for this meeting ONLY: US Bank at Slauson (5760 Crenshaw Blvd)
- **Kicking out over 200 families** to build over 600 units of new unaffordable luxury apts.

Wed Sept 25 6:30p Topic Highlight: Crenshaw Mall Redevelopment

- Adding nearly 900 units of market-rate luxury units completely unaffordable to the community for a project that threatens to **displace over 60,000 residents** within a 2-mile radius of the mall.

Wed Oct 2 6:30p Topic Highlight: Crenshaw Crossing & District Square

- Two new major housing developments are planned at the intersection of Obama/Crenshaw with nearly no units affordable to local residents & being paid for by OUR tax dollars. Join a discussion about what should occur at those sites instead and about social housing.
- *Tenant Clinic by ACCE happening at the same time. Having problems with your landlord? speak to an attorney about it.*
