

Bank On

New Haven

What is Bank On?

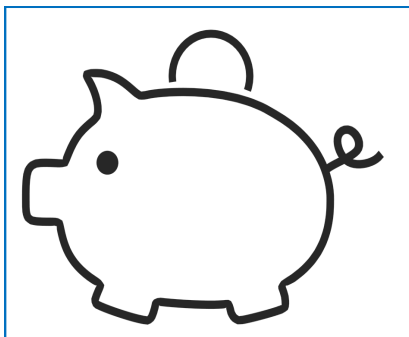

Bank On is a nation-wide initiative that seeks to connect people with safe and affordable bank and credit union accounts. Bank On New Haven is a coalition bringing together banks, credit unions, local government and community organizations, to work towards this goal.

Almost 20 % of New Haven residents do not have bank accounts!

Bank On encourages banks to create accounts that meet the **National Account Standards** including:

- Opening deposit of **\$25 or less**
- Monthly maintenance fee of **\$10 or less, or waivable**
- **No overdraft or overdraft fees!**

For questions or for more information please

Savidou**

People who have bank accounts are **more likely to:**

- **Spend less** managing their money
- Create a **savings account**
- Keep their money **safe**
- **Build their financial assets**

Founded in 1910, CAHS is focused on helping families and children build the skills and assets they need for lasting economic success, strengthening Connecticut's economy, and improving its workforce.
