

Connecticut Roundtable on Climate & Jobs

A Climate Protection Jobs Plan for CT June 18, 2015

AGENDA

7:00 Welcome/Introductions

7:10 Good & Welfare

- Pope Francis' Encyclical on Climate Change – Fr. Sam Fuller
- Slowing “Fast Track” for TPP – John Harrity

7:20 Dialogue in Pairs/3's

“If we get serious about climate protection in CT, what sorts of jobs could that bring to my community, my industry, my occupation, or my union?”

7:30 Panel

- **Lynn Stoddard, Institute for Sustainable Energy** – Meeting interim and 2050 goals: job creation and economic planning
- **Sharon Lewis, CT Coalition for Environmental Justice** – Climate protection and environmental justice: Access to jobs for low-income and minority communities
- **Mary Reynolds, New Haven Works** – Lessons learned from a local jobs pipeline for urban workers
- **John Harrity, CT State Council of Machinists** – Making climate protection jobs good jobs: a living wage with benefits and a career ladder

7:55 Facilitated Break-out Groups (*choose one*)

- Meeting the Goals/Economic Planning
- Job Pathways and Pipelines
- Good Jobs

8:25 Report Backs/Discussion

8:50 Wrap-up and Evaluation

9:00 Adjourn

Some Ground Rules

- Be respectful of others
- Be open to other points of view
- Practice active listening
- Participate; don't dominate
- Share the air time
- Silence your cell phones
