

CT Roundtable on Climate and Jobs

Deeper Energy Efficiency

November 20, 2013

AGENDA

7:00 Welcome and Introductions

7:10 Small Group Dialogue - groups of 4 or 5 people

- What experience have you had with CT's energy efficiency programs?
- What energy efficiency measures have you installed in your own home or business in the last few years?
- What challenges have you or other people in your community faced in moving beyond basic measures like new light bulbs and air sealing?

7:25 Develop a List of Some of the Identified Challenges

7:35 Achieving Deeper Energy Efficiency and Creating Good Jobs

- **CT Energy Efficiency funding and programs** – recent changes and opportunities for improvement (*Roger Smith, Clean Water Action*)
- **Next Step Living** – one contractor's focus on community outreach and job creation (*Peter Weeks, Director of Outreach Programs*)
- **Community Labor United/Green Justice Coalition** – key achievements and lessons learned from this MA coalition (*Renae Reese, CT Center for a New Economy*)

8:10 Quick Reflection in Pairs

- Something that surprised or inspired you
- A question you'd like to have answered

8:15 Q&A/Dialogue with panelists

8:35 Next Steps – What actions might the Roundtable take to help increase the number of homeowners/businesses that install deeper energy efficiency measures and to create additional, higher-skilled jobs?

8:50 Wrap-up and Evaluation

9:00 Adjourn
