

# CT Roundtable on Climate & Jobs

## AGENDA May 11, 2017

**6:30 Welcome/Intros**

**6:45 Small Group Dialogue (3s or 4s)**

How have you and/or your group been active in opposing the Trump Administration's agenda during the last few months?

**6:55 State Level Organizing/Policy Updates**

- **Lead by Example (LBE) campaign** - "win-win-win" opportunity to upgrade state facilities
- **Comprehensive Energy Strategy (CES)** – an opportunity for CT to exhibit leadership

**7:15 Breakout Groups**

- **Legislative Concerns** linking climate & jobs: LBE, Renewable Portfolio Standards (RPS), & protecting clean energy funds
- **State Climate & Energy strategies:** Governor's Council on Climate Change (GC3) & CES

**Focus Questions:** *How can we use these issues/campaigns to strengthen our organizing across constituencies and build a climate justice movement in CT? What messaging would be most effective in connecting with your constituency?*

**8:00 Report Back/Discussion**

**8:20 Wrap-up/Evaluation**

**8:30 Adjourn**

### Some Ground Rules

- Be respectful of others
- Be open to other points of view
- Practice active listening
- Participate; don't dominate
- Share the air time
- Silence your cell phones
