

July 11, 2019 Update from OEC Legal Division

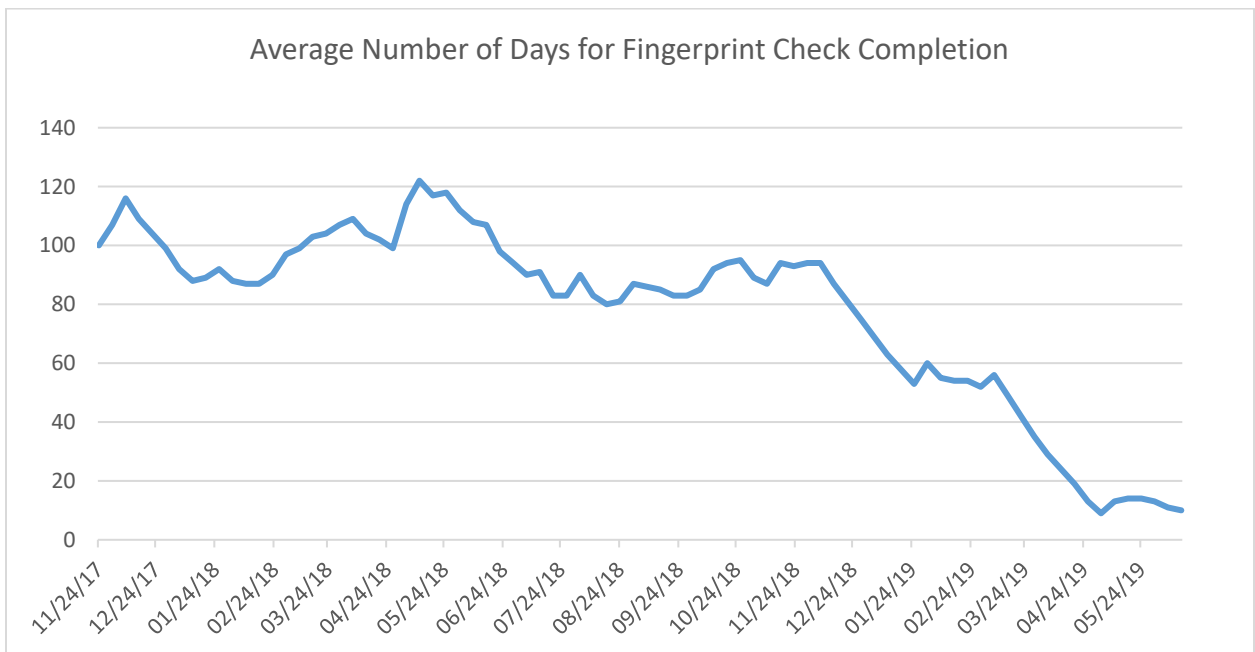

Background Checks

Here are Two Updates:

The OEC **Staff Roster** email invitations have not gone out yet. OEC's IT developers and Legal staff are working hard to prepare this electronic system so it does what we all need it to do. We are *very close* to being ready for launch.

The CT Office of Early Childhood is pleased to announce that CT and national criminal **background check results** are being received from DESPP in *less than three weeks* from the time fingerprints are accepted. This is a tremendous improvement over the highest average delay of four months back in May, 2018, and was achieved through collaboration between OEC and DESPP.

Thanks for all you do to provide safe, nurturing care for young children!
