Supporting Information

This lawsuit arises out of an incident that occurred on January 13, 2014. Officers conducted a traffic stop of Plaintiff and another individual, who was the driver. After a physical altercation with the driver during his arrest, Officer Williams used force to take Plaintiff into custody. Plaintiff then brought suit against Officer Williams, alleging excessive force.

We have negotiated a tentative settlement of the lawsuit in the amount of \$20,000.00 payable to Plaintiff and/or his attorney. We believe that this settlement is in the best interests of the City and recommend its approval.
