AND WHEREAS Phase II of the Wage Standardization initiative will be concluded on March 31, 2009;

AND WHEREAS the parties agree that Wage Standardization must be maintained while at the same time recognizing that bona fide and significant changes to an employee's or group of employees job content may result in a request for review of the wage scale;

THEREFORE the parties agree to establish a joint committee within sixty (60) days of ratification of the final facility support collective agreement in 2008. The mandate of the joint committee is to develop a process, including a dispute resolution mechanism, to deal with changes in job content or qualification requirements consistent with the stated purpose of ensuring the maintenance of wage standardization. The time frame for the joint committee to conclude its deliberations is ninety (90) days from its first meeting.
