**PREAMBLE:**

**WHEREAS** THE employer and the Union desire to:

- a) Promote co-operation and understanding between the Employer and its employees, and
- b) Recognize the mutual value of joint discussion and negotiations of matters pertaining to working conditions, occupational health and safety, benefits and terms of employment, and
- c) Encourage efficiency of operation, and
- d) Promote the morale, well-being and security of members of the bargaining unit represented by the Union.

The Employer and Union agree to use and share compatible electronic word documents for negotiation exchanges and collective agreement related proofing and finalizing.

NOW THEREFORE, in consideration of the covenants herein contained, the Employer and the Union agree with each other as follows:

**ARTICLE 1 - SCOPE OF RECOGNITION**

- 1.01 The Employer recognizes the Union as the sole collective bargaining agency for employees in the bargaining unit defined in the Manitoba Labour Board Certification No. MLB5517.
- 1.02 New classifications, created during the term of the Agreement and coming within the scope of the bargaining unit as defined shall be added to Appendix "A".

**ARTICLE 2 - DURATION OF COLLECTIVE AGREEMENT**

- 2.01 This Agreement shall be in full force and effect April 1, **2016** until the thirty-first day of March, **2019**. The provisions of this Agreement shall continue in effect following the expiry date or until replaced by a new Agreement or until the declaration of a strike or lockout, whichever occurs first.
- 2.02 This Agreement may be amended during its term by mutual agreement.
- 2.03 Should either party to this Agreement desire to amend or terminate the Agreement, or to negotiate a new Agreement, such party shall notify the other party in writing of its intention, not more than ninety (90) days and not less than forty-five (45) days prior to the expiration date hereof.

- 2.04 If notice is not given under Article 203, within forty-five (45) days prior to the expiration date of the Agreement, this Agreement shall be renewed without change for a further period of one year.

### **ARTICLE 3 - MANAGEMENT RIGHTS**

- 3.01 Except as in this Agreement otherwise expressly provided, it is acknowledged that the Employer has the right, responsibility and authority to manage, operate, and generally regulate the facility and its affairs and functions.
- 3.02 The Employer agrees to exercise its management rights and terms of this Agreement in a consistent, equitable, and non-discriminatory manner, including measures for just cause in matters of discipline and discharge.

### **ARTICLE 4 - UNION SECURITY**

- 4.01 All employees shall as a condition of employment, become and remain members in good standing in the Union.
- 4.02 The Employer agrees to deduct the amount of monthly dues, as determined by the Union, from the pay of each employee covered by this Agreement, whether he is a member of the Union or not.
- 4.03 The Employer agrees to deduct from the pay of each employee in the bargaining unit the current monthly Union dues and/or assessments levied in accordance with written instructions received from the Union.
- 4.04 The Employer will remit to the Union monthly any monies deducted, along with a list of employees from whom deductions have been made.
- 4.05 The Union shall notify the Employer in writing of any change in the amount of dues at least one (1) month prior to the effective date of the change.
- 4.06 The Employer shall provide the Union with the names of all employees hired during the preceding calendar month, their classification and starting rate of pay, also the names of all employees who have terminated with the Employer, for whatever reason, and their classification.
- 4.07 The Employer shall include the amount of union dues deducted from each employee during the relevant taxation year on the Income Tax T-4 slips.
- 4.08 The Union shall save the Employer harmless from any claims from employees covered by this agreement as a result of Union dues and/or assessments having been collected in accordance with the terms of this Article.
- 4.09 No employee shall make any written or verbal agreement which conflicts with the terms of this Collective Agreement.

- 4.10 Supervisors and/or Foremen and other employees of the Employer whose jobs are not classified within the bargaining unit shall not work on a recurring basis on jobs which have been determined as being within the bargaining unit except in cases of training or emergency.
- 4.11 In the event that the horsepower rating of the plant, as defined in the Power Engineers Act of Manitoba, is lowered, the incumbent Engineers will be grandfathered in their existing classification. Position descriptions for these incumbent engineers will be updated as part of this process in accordance with Article 9 of the Collective Agreement and will include relevant duties which shall be enabled by the lowered rating of the plant.

## **ARTICLE 5 - UNION REPRESENTATION**

- 5.01 The Union agrees to provide the Employer with a current list of Stewards and committee representatives of the Unit and will advise the Employer of any changes which may occur from time to time.

The Employer recognizes that Stewards and Officers have duties and responsibilities towards and on behalf of the Union and are required at times to leave their jobs to investigate and process grievances, or discuss with supervisors other matters affecting employees. The Union recognizes that Stewards and Officers are employees of the Employer and as such have jobs to perform on behalf of the Employer. When it becomes necessary for Officers or Stewards to leave their jobs to attend to the above matters, they will give their supervisor as much advance notice as possible, and arrangements will be made by their supervisor to leave their jobs with no loss of pay as soon as reasonably possible, but normally not later than one (1) hour following the request.

The Union agrees that there will not normally be duplication of duties or responsibilities of its Stewards and Officers, however, it is recognized that there may be times when because of circumstances, the Union or the Employer may deem it necessary to have more than one representative attend to the matter.

- 5.02 When attending a meeting with the Employer, the number of employees and representatives of the Union who shall suffer no loss in pay shall be as follows:
- a) In the case of a grievance, the grievor(s) and one (1) representative.
  - b) In the case of local negotiations toward a collective agreement, including conciliation, mediation, or arbitration, a maximum of two (2) representatives.
  - c) In the case of central negotiations toward a collective agreement, including conciliation, mediation or arbitration, a maximum representation of two (2) representatives.

- d) Employees whose attendance is required at arbitration hearings related to the Agreement shall be given permission to be absent from work and shall not suffer any loss of pay as a result.
- e) A shift employee attending negotiations with the Employer as a representative of the Union will not be expected to complete any portion of a shift of work on the day of the meeting nor to work the shift immediately before or after the negotiating meeting and will suffer no loss of pay as a result.

5.03 The Business Representative of the Union shall be permitted to meet with an employee during his working hours upon notification to the Employer, with the understanding that:

- a) the Union will take into account the legitimate interest of the Employer in ensuring that the operation of the workplace is not unduly disrupted; and
- b) the Employer will take into account the legitimate interest of the Certified Bargaining Agent in facilitating communication between its representatives and employees in the unit at the workplace.

## **ARTICLE 6 - NON-DISCRIMINATION**

6.01 It is agreed that there shall be no discrimination, interference, restriction, harassment or coercion knowingly exercised or practiced by the Employer, the Union, or any employee by reason of:

- ancestry, including color and perceived race
  - ethnic background or origin
  - age
  - nationality or national origin
  - political belief, association or activity
  - religion or creed
  - sex, including pregnancy
  - marital status or family status
  - sexual orientation
  - physical or mental disability
  - place of residence
  - membership or activity in the union,
- except as may be allowed under the Manitoba Human Rights Code.

6.02 The Employer and the Union agree that no form of harassment shall be condoned in the workplace and it is further agreed that both parties will work together in recognizing and dealing with such problems should they arise. Situations involving harassment shall be treated in strict confidence by both the Employer and the Union.

## **ARTICLE 7 - DEFINITIONS**

7.01 An "employee" is a person employed by the Employer as defined below in one of the occupational classifications within the scope of this Agreement.

7.02 A "full-time" employee is one who regularly works the full prescribed hours of work specified in Article 17.

7.03 A "part-time" employee is one who regularly works less than full time hours, but not less than one shift per bi-weekly period.

- 7.04 a) A "temporary/term" employee is one who is employed:
- (i) for a specified period of time to replace an employee on vacation, a period of extended illness or a leave of absence, or;
  - (ii) to work on a particular project. The duration of employment for a temporary/term employee shall not exceed six (6) calendar months unless, at the time of hiring, the prospective employee and the Union are informed in writing, that the period of temporary employment is going to be of more than six (6) months duration. If the period of temporary employment is going to be of more than six (6) months duration, the Union would have to agree with any extension past six (6) months and, in any case, the duration of the period of temporary employment would not be more than twelve (12) months.
- b) An "indefinite term" employee is one hired solely for the replacement of an ill or injured employee where the duration of the employee's absence is unknown.

Where the Employer deems a term position to be of an indefinite length due to an employee's illness or injury, the term position shall be posted as "indefinite term" and the Union shall receive notification of the posting immediately.

The indefinite term position shall conclude upon the return or termination of the originally ill/injured employee or where the employee is ultimately deemed to be medically unable to return to his original position.

Employees returning from this leave will provide the Employer with as much notice as possible of the date of return.

The employee occupying said "indefinite term" position shall receive notice equivalent to the amount of notice the employee returning from leave provides the Employer.

- c) No employee shall be laid-off and re-employed for the purpose of extending the period of temporary employment.
- d) A temporary/term employee is entitled to all provisions of the Collective Agreement unless otherwise specified.
- e) When the term for which a temporary/term employee has been hired ends, the employee will remain on the Employers records after termination for an additional six (6) month period of time. If during such six (6) months another position for which the individual in question has the necessary qualifications and training comes up, he would be given the offer of first refusal for that position, subject to the seniority of other employees of the bargaining unit.

If a "temporary/term" employee is recalled in this fashion, his second term of employment shall not exceed six (6) months unless otherwise mutually agreed between the Employer and the Union. If recalled, a "temporary/term" employee shall retain his temporary seniority accrued during his first term for purposes of income protection accrual and utilization.

- f) A temporary/term employee may be required to complete a further three (3) month probationary period upon being awarded a permanent position.
- g) When a lay-off of temporary/term employees is required the lay-off shall be in reverse order of seniority within each classification within each project.
- h) All employees will be allowed to apply for temporary/term positions, within the bargaining unit. If awarded the position, the Employee will receive the rate of pay applicable to such temporary/term position. Upon completion of the temporary/term position, an Employee shall have the right to return to his former position without loss of benefits accrued prior to or during the period of temporary/term employment.

7.05 A "probationary" employee is a newly hired full-time employee who has not completed three (3) months of continuous employment or newly hired part-time employee who has not completed four (4) months of continuous part-time employment. The probationary period of employment may be extended for a further period of one (1) month. The Employer agrees to notify the Union at least two (2) weeks prior to the end of the probationary period. During the probationary period an employee shall not have access to the grievance procedure for reason of termination of employment only.

7.06 A "bi-weekly period" shall mean the two (2) calendar weeks constituting a pay period.

- 7.07 Where the context so requires, masculine and feminine genders, and singular and plural numbers shall be considered interchangeable.
- 7.08 "Weekend" denotes Saturday and Sunday.
- 7.09 In any instance where the Union is to be notified, the Union shall mean the business manager or designate of the certified bargaining agency for the employees as defined in the Manitoba Labour Board Certification.

## **ARTICLE 8 - BULLETIN BOARDS**

- 8.01 The Union shall be allowed to use existing bulletins board located in the appropriate department.
- 8.02 The Union agrees to comply with any reasonable request to remove posted material on the grounds that it is damaging to the Employer.

## **ARTICLE 9 - JOB CLASSIFICATION**

- 9.01 In the event that the Employer establishes or proposes to establish a new classification, or if there is a substantial change in the job content of an existing classification and provided that the new or revised classification falls within the bargaining unit, the Union shall receive a copy of the job description and accompanying salary range. The term "preferred" in a job description or job posting, will not be deemed to be a necessary or required qualification for that job.
- 9.02 Unless the Union objects in writing within thirty (30) days following such notification, the classification and salary range shall become established and form part of Appendix A of this agreement.
- 9.03 If the Union files written objection, then the parties hereto shall commence discussions forthwith and attempt to reach agreement as to an appropriate salary range.
- 9.04 Failing agreement, the matter may be referred to arbitration in accordance with Article 11. The Arbitration Board shall confine itself to the express issue of the appropriate salary range for the new classification.
- 9.05 At any time after an employee has been in a classification for three (3) months, he shall have the right to request a review of his classification if he believes that the duties of his job have changed from those of his classification job description.
- 9.06 If the salary range of a new or revised classification is adjusted by means of negotiation or otherwise, such adjustment shall be retroactive to the date the new or revised classification came into effect.

- 9.07 The Employer will examine the duties of the employee, compare them with the job description, and give a decision as to the validity of the request.
- 9.08 If the decision in Article 9.06 is not satisfactory to the employee, he may treat such request for a change in classification as a grievance as prescribed in Article 10 of this Agreement.
- 9.09 Any dispute as to whether a new or revised classification falls within the bargaining unit may be referred to the Manitoba Labour Board for determination.
- 9.10 A revision to an existing job description to reflect more accurately the job content of any classification shall not constitute prima facie evidence of a substantial change in job content.
- 9.11 The Employer agrees that all employees in all classifications not possessing the required secondary education, for example Grade XII, will be deemed to possess the equivalent secondary education while working in their current classification and site. This is applicable to all employees on staff on date of signing of this Agreement.

## **ARTICLE 10 - GRIEVANCE PROCEDURE**

- 10.01 A "grievance" shall mean any dispute between an employee, group of employees or the Union and the Employer regarding the interpretation, application or alleged violation of this Agreement.
- 10.02 For the purpose of determining lengths of time in the following grievance and arbitration procedures, Saturdays, Sundays and General Holidays are excluded.
- 10.03 Unless dismissed or suspended by the Employer, an employee shall continue to work in accordance with this Agreement until such time as the dispute is settled between the representatives of the Employer and the Union.
- 10.04 At each step of the grievance procedure, the grievant may elect to be represented or accompanied by one or more Union representatives.
- 10.05 **Complaint Stage**  
Within fourteen (14) calendar days after the cause of a grievance manifests itself, the grievant shall attempt to resolve the dispute with his immediate supervisor outside the bargaining unit. In the event of a grievance originating while the employee is on approved leave of absence from work, such grievance must be lodged within fourteen (14) days of return.
- 10.06 **Step 1**  
If the grievance is submitted but not resolved within the time period stipulated in Article 10.06, the grievant and/or union representative may, within the ensuing seven (7) calendar days submit the grievance in writing to the appropriate Department Head or designate stating allegations and redress sought.

The appropriate department head or designate shall provide a written decision with seven calendar days of the receipt of the written grievance.

**10.07 Step 2**

Failing settlement of the grievance at Step 1 or at the expiry of the time limits to respond at Step 1, the Union may refer that grievance to the site administrator or designate within a further ensuing seven (7) calendar days.

The site administrator or designate shall provide a written decision with seven (7) calendar days of the receipt of the written grievance.

10.08 If the dispute is not resolved by the decision in Step 2, the Union and/or Employer may refer the matter to Arbitration by serving written notice to the other party of its intention within seven (7) calendar days thereafter.

10.09 A grievance concerning general application or interpretation of the Agreement, including the question of whether a matter falls within the scope of this Agreement or which affects a group of employees or the Union, may be referred directly to the site administrator or designate, by the Shop Steward or delegate.

10.10 A grievance arising from a dismissal may be initiated at the site administrator or designate level.

10.11 The time periods designated in the grievance procedure may be extended by mutual agreement and shall be confirmed in writing.

**ARTICLE 11 - ARBITRATION PROCEDURE**

11.01 In the event that a grievance or a dispute involving the application, interpretation, or administration of this Agreement is not settled through the grievance procedure, such matter shall be the subject of Arbitration in accordance with the procedure set out hereunder.

11.02 Where the party initiating the Arbitration proceedings wishes to request Arbitration by a single Arbitrator, the notice referred to in Article 1009 shall so state:

- a) Where the party who receives the notice accepts the request for a single Arbitrator, the parties will attempt to reach agreement on the selection of a single Arbitrator within fourteen (14) calendar days;
- b) Where the party who receives the notice rejects the request for a single Arbitrator or where the parties have failed to reach agreement on the selection of a single Arbitrator within fourteen (14) calendar days, either party may submit the name of its' appointee to a Board of Arbitration to the other party in accordance with Articles 1103, 1104, 1105 of this Agreement within fourteen (14) calendar days;

- c) Where the parties have agreed to a single Arbitrator, the single Arbitrator shall be considered to be an Arbitration Board for purposes of this Agreement.
- 11.03 Where the party initiating the Arbitration proceedings wishes to request Arbitration by a three (3) person Board, the notice referred to in Article 1009 shall contain the first party's appointee to the Arbitration Board.
- 11.04 The party receiving such notice shall, within fourteen (14) calendar days, notify the other party of its' appointee to the Arbitration Board, failing which the Minister of Labour shall be empowered to make such appointment.
- 11.05 Within fourteen (14) calendar days following their nomination, the appointees to the Board shall select a mutually acceptable appointee as a Chairman, or forward a request to the Minister of Labour for Manitoba to make such appointment.
- 11.06 It is mutually agreed by both parties to this Agreement that the decision of the Chairman, in the absence of a majority decision of the Board, shall be final, binding and enforceable upon the Employer, the Union and the Grievant.
- 11.07 The Chairman or Board shall not be empowered to modify this Agreement, or to impose a settlement which is inconsistent with the provisions hereto.
- 11.08 Any costs incurred by either party relative to an Arbitration procedure shall be borne by that party, except that the costs of the Chairman of the Board shall be shared equally by the Employer and the Union.
- 11.09 An employee who has been unjustly suspended or discharged in the opinion of the Board shall be immediately reinstated in his former position without loss of seniority. He may or may not be compensated for all time lost in an amount equal to his normal earnings during the pay period preceding such discharge or suspension, or by any other arrangement as to compensation which is just and equitable in the opinion of the parties or a Board of Arbitration.
- 11.10 Nothing in this Agreement shall preclude settlement of a grievance by mutual agreement in any manner whatsoever.
- 11.11 The time limits fixed in an Arbitration procedure may be extended by mutual agreement and shall be confirmed in writing.

## **ARTICLE 12 - SENIORITY**

- 12.01 Seniority shall be defined as the length of an employee's service since the last date on which he commenced work with the Employer, including the period prior to April 1, 1983.

Vacation accrued and not utilized

- 13.01 An employee who is absent from scheduled work due to illness or disability, quarantine, or medical, dental or chiropractic examination or treatment or because of an accident or illness, for which compensation is not payable

under Workers' Compensation Act or Manitoba Public Insurance shall be entitled to his regular basic pay to the extent that he has accumulated income protection credits subject to the following conditions.

13.02 The Employer agrees to recognize income protection credits accumulated prior to the signing of this agreement.

13.03 Full-time employees shall accumulate income protection credits at the rate of one and one-quarter (1 1/4) days per month.

13.04 Income protection for a part-time employee shall be calculated as follows:

$$\frac{\text{Average bi-weekly hours of part-time employee}}{\text{Full-time bi-weekly hours}} \times \text{Entitlement of a full-time employee}$$

13.05 Income protection credits will accumulate on the same basis as seniority under Article 12.

13.06 No employee shall be permitted to utilize income protection benefits during the first three (3) months of employment.

**DEER LODGE CENTRE  
(hereinafter called the "Employer")**

**- and -**

**INTERNATIONAL UNION OF OPERATING ENGINEERS, LOCAL 987  
(hereinafter called the "Union")**

The above named parties do hereby agree that Power Engineers who regularly work rotating shifts shall adhere to the shift schedule attached (twelve hour shifts) with the exception of Power Engineers working maintenance day shifts who may be required to provide relief coverage from time to time in the absence of the maintenance relief engineer.

The attached shift schedule rotates every five (5) weeks and may be amended by mutual agreement between the Employer and a majority of the "shift engineers" affected.

There shall be three (3) twenty minute rest periods during each twelve (12) hour period of work in addition to normal meal breaks.

Power Engineers who do not regularly work rotating shifts, shall normally work Monday to Friday, 7:30 a.m.-4:00 p.m., with one-half (1/2) hour unpaid lunch break, and they may be required to be scheduled into the attached twelve (12) hour shift schedule for relief purposes. Where they are required to work hours as per the attached twelve (12) hour shift schedule, they shall receive a minimum of three (3) days notice. If three (3) days notice is not received, they shall be paid at applicable overtime rates for the first three (3) days they are in the changed shift, for all hours worked outside of their regular working hours. After three (3) days, they will be deemed as having fallen into the relieved shift schedule at regular rates.

In the event that the engineer normally scheduled Monday to Friday, 7:30 a.m. – 4:00 p.m. is not available to provide relief coverage, the Power Engineers working scheduled maintenance day shifts may be required to provide the relief coverage from Sunday to Saturday in the week they are scheduled. They shall receive a minimum of three (3) days notice of the change of the shift and all hours worked in excess of their normal scheduled maintenance hours as per the attached schedule shall be paid at applicable overtime rates. If three (3) days notice is not received, they shall be paid applicable overtime rates in accordance with Article 17:06.

Power Engineers who are called upon to provide relief coverage in a week when they are not scheduled to work maintenance day shifts shall be paid in accordance with the normal hours of work and overtime provisions of the collective agreement.

Compensation for overtime shall be paid at the rates stipulated in the Collective Agreement.

Premium rates will be paid for all hours actually worked on a holiday that is included in Article 15 of the Collective Agreement.

Paid days off, in lieu of general holidays will be based on an eight (8) hour day. Engineers will have the option of accumulating general holidays and trading three (3) general holidays for two (2) twelve (12) hour shifts off with pay.

Income Protection Credits (sick leave) shall be reduced by the actual number of hours utilized.

Employees who are required to work a shift on their regular day of rest shall be paid at overtime rates and guaranteed work for the full twelve (12) hour shift. Employees who are called in, shall be paid as per Article 18.03 of the Collective Agreement, or shall be paid at overtime rates for all of the hours remaining in a shift, whichever is the greater amount.

Shift premium applies on night shift and four (4) hours of the day shift.

## RE: JOINT MARKET ADJUSTMENT FUND

The parties agree to establish a Joint Market Adjustment Task Force, the purpose of which shall be to determine what if any classifications warrant a market adjustment based on demonstrable recruitment, retention patterns or wage differentials. Market Adjustments are to apply to "Trades" classifications only (not all Classifications).

### Criteria:

- Any adjustment(s) shall be based on demonstrable "recruitment / retention" criteria - ie: adjustment(s) applicable to only those Classifications for which it has been demonstrated that there have been "recruitment / retention" challenges; and
- Any adjustment(s) are to apply only to those Classifications for which top of scale rate of pay is below the top of scale wage rate for the average wage rate of the Classification counterpart(s) within the reference group of Employers.
- No Classification shall receive a wage rate which exceeds the average wage rate of the Classification counterpart(s) within the reference group of Employers for the same effective date(s).

Membership on the task force will consist of three (3) representatives from the LRS / Employers and three (3) representatives from IUOE. Additional representatives may be invited to attend as determined by the committee to provide necessary information.

The Joint Task Force shall meet on January 17, 2014 in order to determine process. Thereafter, meetings will occur the second Tuesday of each month, at a time and location that is mutually agreed, up until October 1, 2014 where the Market Adjustments will be concluded, or earlier, if the decisions on the allocation of funds have been concluded prior to that date.

A "Market Adjustment Fund" will be allocated as follows:

October 1, 2014 - \$80,000.00

October 1, 2015 - \$80,000.00

Any market rate adjustments will be effective, on or after the effective dates listed above, as mutually agreed upon by the Joint Task Force.

Costs associated with this Task Force will be borne as follows:

- a) Employees will not suffer a loss of pay or benefits as a result of Joint Task Force participation (at the expense of the Employer).
- b) Each party shall be responsible for its own incurred expenses.

Matters contained in this Letter of Understanding shall not be subject to the grievance and arbitration procedure.

3. In the event that this Memorandum of Understanding conflicts with the terms of any existing collective agreement between the parties, the terms of this Memorandum shall prevail over the terms of the Collective Agreement (unless otherwise specified).
4. a) In the event of a transfer/closure/consolidation/merger of one or more of the programs and/or facilities, the Employer(s) will notify the unions, where possible at least 90 days prior to the implementation date unless otherwise provided for in the applicable collective agreement. The Employer(s) will determine the estimated number and types of positions available, and update such data as the reconfiguration/ implementation plans are defined.  
\*lesser notice may be given only in exceptional circumstances.
- b) The Employer(s) and Union(s) shall meet within 30 days of notice provided for in 4(a) to discuss issues arising out of the transfer of employees.

- c) The Employer(s) shall prepare and provide the following data relative to the transfer/closure/consolidation/merger to the Union(s):
- positions affected at the sending facility
  - number of vacancies and new positions created at the receiving facility
  - up-to-date seniority lists
  - pertinent classification information
  - relevant time frames

## 5. Staff Mobility

### A. Transfers with Programs

- i) When programs are transferred, consolidated, or merged from one facility or facilities to another, the Employer(s) will determine the number of staff required by classification.

Qualified employees within the transferring program will be given the opportunity to move with the program. Where excess numbers of staff wish to move, staff will be selected based on mobility seniority. Where an insufficient number of staff, by classification, volunteer to move, the sending facility(s) shall fill the remaining positions in the program by utilizing the job posting/recall procedures in the applicable collective agreement(s).

If vacancies continue to exist after the job competition, the Employer(s) reserves the right to transfer employees from the sending facility to fill the vacancies commencing with the most junior qualified employee.

- ii) Employees who are transferred in accordance with this memorandum shall retain seniority as described in (6) below, service and other portable benefits as set out in the Letter of Understanding on Redeployment Principles, and will be treated in all respects as if they had always been employees of the receiving facility.
- iii) The receiving facility will provide an orientation period to employees transferring to a new program site. The orientation period shall be of sufficient duration to assist the employee in becoming acquainted with essential information such as policies and procedures, routines, location of supplies and equipment, and fire and disaster plans.
- iv) No new probationary/trial period will be served by transferring employees. Any transferring employee who had not yet completed their probationary period at the sending facility will complete the balance of the period required at the receiving facility.

Should the transferred employee decide not to remain at the receiving facility, such employee shall provide written notice to the receiving facility no later than 60 days following the date of transfer. The employee shall be entitled to be placed on the Central Redeployment list and the recall list of the sending facility.

## B. Temporary Transfer of Employees

- i) To facilitate temporary transfers to facilities experiencing a need for additional employees on a sporadic or episodic basis, qualified employees from another facility shall be offered the opportunity to work in the facility(s) experiencing the need for additional employees.
- ii) Temporary transfers shall not be implemented until the applicable provisions of the collective agreement of the receiving facility relating to the assigning of occasional additional shifts are fulfilled.
- iii) The temporarily transferred employees will continue to be covered by the terms of the sending facility's collective agreement.
- iv) Where an insufficient number of qualified employees volunteer to be temporarily transferred, the facility(s) reserve the right to transfer employees, commencing with the most junior qualified employee at the sending facility.
- v) Orientation as set out in (5)(a)(iii) above will be provided if reasonably possible

## C. Voluntary Transfers to Vacancies

As bargaining unit vacancies arise that any of the Facilities intend to fill, the following procedures will apply:

- i) Vacancies will be filled in accordance with the provisions of the applicable Collective Agreement.
- ii) An internal and city wide posting may occur simultaneously. Employees from other facilities will have the right to apply for said vacancy.

If the selected employee is a current employee of one of the nine (9) facilities, that employee will be entitled to transfer all seniority, service and other benefits as set out in the Letter of Understanding on Redeployment Principles and will be treated in all respects as if they had always been an employee of the receiving facility.

- iii) Where there are no qualified internal applicants, positions will be awarded in the following order;
  - Recall of laid off workers from the facility posting the vacancy (unless otherwise stipulated in the applicable collective agreement);
  - Applicants from the Redeployment List;
  - Applicants from one of the other nine facilities;
  - Applicants external to the nine facilities.

6. Seniority

A. Seniority lists will be maintained in accordance with the Collective Agreements for internal purposes at each facility.

B. Mobility seniority for the purposes of this memorandum will be calculated as follows:

"Seniority shall be defined as the total accumulated regular paid hours calculated from the date the employee last entered the service of the Employer".

C. Transferring employees will be treated in all respects as though they had always been employed at the receiving facility.

D. To ensure the accuracy of the calculation of the mobility seniority, the Employer(s) will provide sufficient information to verify an accurate calculation has been made.

E. Any employee who:

i) has utilized a redeployment number in the past to obtain a position but was not permitted to transfer seniority credits at the receiving facility, or

ii) has voluntarily transferred to another facility between 01 January 1998 and the effective date of this memorandum,

shall be entitled to an adjustment of seniority which will reflect cumulative seniority earned both at the sending and receiving facilities. Processes contingent on seniority implemented prior to date of signing will not be adjusted retroactively, (e.g. bumping, vacation preference).

7. Staff Mobility Dispute Resolution Mechanism

This dispute resolution mechanism shall not be utilized to resolve disputes which could be addressed through the grievance arbitration procedure(s) set out in the applicable collective agreement.

Should a dispute(s) arise between a signatory Union(s) and a signatory employer(s) regarding the application, interpretation or alleged violation of this Memorandum of Understanding, the parties concerned shall meet within 20 calendar days and attempt to resolve the dispute(s) through discussion.

Should the dispute remain unresolved after such meetings, any party to the dispute may within a further 10 calendar days refer the matter(s) to arbitration.

The parties to the dispute shall select a mutually agreed Arbitrator within 10 calendar days following such referral to arbitration. Should the parties fail to agree upon an Arbitrator, either party may forward a request to the Manitoba Labour Board.

The above time limits may be extended by mutual agreement and shall be confirmed in writing.

The Arbitrator shall set his/her own procedures for hearing the dispute and may accept any evidence he/she deems appropriate.

The decision of the Arbitrator shall be final and binding upon the parties to the dispute.

Any costs incurred by either of the parties to the dispute, preceding or during arbitration proceedings, shall be borne by the parties incurring such costs, but cost of the Arbitrator shall be borne by the parties in equal share.

Implementation and Interpretation of the "Memorandum of Understanding Regarding Staff Mobility Within the Nine Facilities of the WHA System" (hereinafter referred to as "Staff Mobility Agreement").

This Memorandum is attached to and forms part of this Collective Agreement. Where a conflict exists between this Memorandum and the Staff Mobility Agreement, the terms of this Memorandum will supersede those of the aforementioned Memorandum.

The parties agree to implement and interpret the Staff Mobility Agreement as follows:

## **Seniority**

1. An employee hired into this bargaining unit from a unit which has not ratified the Staff Mobility Agreement shall be treated in all respects as a newly hired employee. He/she shall have no rights over any existing employee in any matter determined by Seniority.
2. If any member of the IUOE, employed at any of the above noted facilities, transfers to another of the above noted employers, a special calculation for seniority hours shall take place to recognize the differences in "regular annualized hours of work" between the facilities.

The employee's seniority as defined in their Collective Agreement shall be converted to hours based on the regular annualized hours of work at the receiving facility.

(e.g. Facility A - regular annualized hours 2080  
Facility B - regular annualized hours 1950)

Employee moves from A to B and has 10 years service, seniority hours shall be  $1950 \times 10 = 19,500$  seniority hours at Facility B.

Employee moves from B to A and has 10 years service, seniority hours shall be  $2080 \times 10 = 20,800$  seniority hours at Facility A.

3. A part-time employee's seniority shall be calculated as actual hours worked pro-rated on the basis of the regular annualized hours of the receiving facility.

This calculation is only applicable under the conditions of an employee moving from one facility to another under the terms of the Staff Mobility Agreement and in no way affects the definition of seniority for a part time employee under their applicable Collective Agreement.

4. Seniority calculations in numbers 2 and 3 above shall be for the purpose of layoff, recall, transfer, promotion, vacation preference, etc. Vacation, pre-retirement and income protection accruals will be calculated as if the employee had always been employed by the receiving facility.

### **Other Provisions**

1. The primary emphasis of the Mobility Agreement is to facilitate the voluntary transfer of staff with programs, to vacancies, or on a temporary basis.
2. The Employer agrees that the provisions of Section 5 (B) (iv) of the Mobility Agreement shall be utilized only under extenuating and emergency circumstances.
3.
  - a) Orientation for staff transferring with programs shall be provided in accordance with Section 5A (iii) of the Mobility Agreement and shall take into consideration the individual needs of the transferring employee.
  - b) Orientation for staff temporarily transferring to another facility in accordance with the provisions of Section 5B of the Mobility Agreement and section #2 of this Memorandum (above), shall be provided in accordance with 5A (iii) of the Mobility Agreement, if reasonably possible.
4.
  - a) It is agreed that 5A(ii) of the Mobility Agreement shall include portability of hours of service since the last increment for purposes of calculating the next increment.
  - b) It is agreed that vacation earned at the sending facility shall not be paid out upon transfer unless the employee requests.
5. Return transportation will be provided by the Employer, if the employee requests transportation or if personal transportation is not available. If personal transportation is utilized, the following shall apply:
  - a) Parking in close proximity to the "receiving facility" will be made available.
  - b) Parking expenses shall be reimbursed to the employee by the Employer.

- c) The employee shall be eligible for transportation reimbursement for thirty-six point seven cents (\$0.367) per kilometre for travel in accordance with the following formula, subject to a minimum guarantee of four dollars (\$4.00).

When the Province of Manitoba mileage rates are increased and exceed the above rates the Employer will adjust the rates retroactive to the date the Provincial rates take effect.

Distance (in kms.) from the employee's home to the "receiving facility" minus the distance (in kms.) from the employee's home to the "sending facility".
