“I rely on my members as much as my members rely on me. Together we can accomplish anything”

“I may take a break from the employer but never from the members.

I treat my members like my family.”

I have taken on many fights including Health Care cuts, Bill 28, Bill 29, COVID, working short staffed, No PPE.

I have delivered over 2,000 masks with my husband to our members.

I always have attended PRIDE, the Filipino festival, Indigenous Days, Black History events and the Take Back the Night campaign.
