

Outpatient Services

Carson Valley Children's Aid (CVCA) is dedicated to assisting all people seeking support with behavioral health issues to help improve their quality of life.

Carson Valley provides outpatient behavioral health services to adults, adolescents, children and families in need of mental health treatment throughout the Philadelphia area. CVCA's services are client centered and family focused aimed at promoting the recovery of each individual client.

Outpatient services may include assessments, evaluations, medication management, individual therapy, family therapy, education, and a combination of interactive groups to help treat issues such as:

- ⇒ Depression
- ⇒ Adjustment Issues
- ⇒ Attention Deficit Disorders
- ⇒ Conduct Disorders
- ⇒ Grief
- ⇒ Trauma and Anxiety Disorders

Mission

Carson Valley Children's Aid is dedicated to delivering services to children, youth and families that ensure their safety, build on their strengths, honor their differences and empower them to achieve their goals for success in life.

Vision

For children, youth and families to realize their potential and thrive.

Guiding Principles

Optimism	Unity
Inclusiveness	Trust
Compassion	Accountability
