

## *How do we improve schools?*

- a. **Reduce high stakes testing.** We support assessments that are used to help children and teachers, not punish and stigmatize them.
- b. **Stop closing schools.** Since 2001, HISD has closed over 50 neighborhood schools. Will your neighborhood's school be next?
- c. **Strengthen the teaching profession.** Our students deserve guidance from fairly paid, experienced and certified teachers.
- d. **Smaller class size.** In 2013–14, 20% of HISD's K-4 classes exceeded the state class size limit of 22 students.
- e. **All of the above and more.** Including universal pre-K and full and equitable funding of schools.
