

CWC Mar Vista FreshSchools

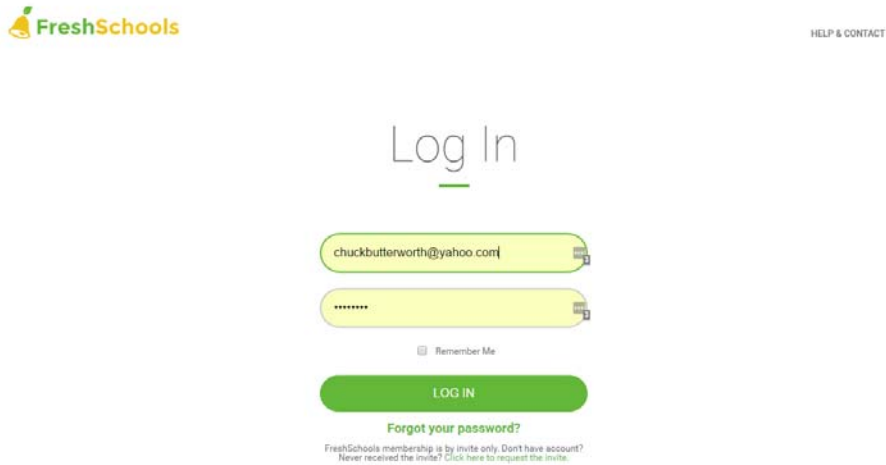

How to Change Your Notification Preferences

The following is a guide as to how to change your FreshSchools notification preferences. You can receive event reminders, volunteer reminders, or supplies sign up reminders. If you would like to turn any of those off, you can do so in the Notification Preferences section of your parent profile.

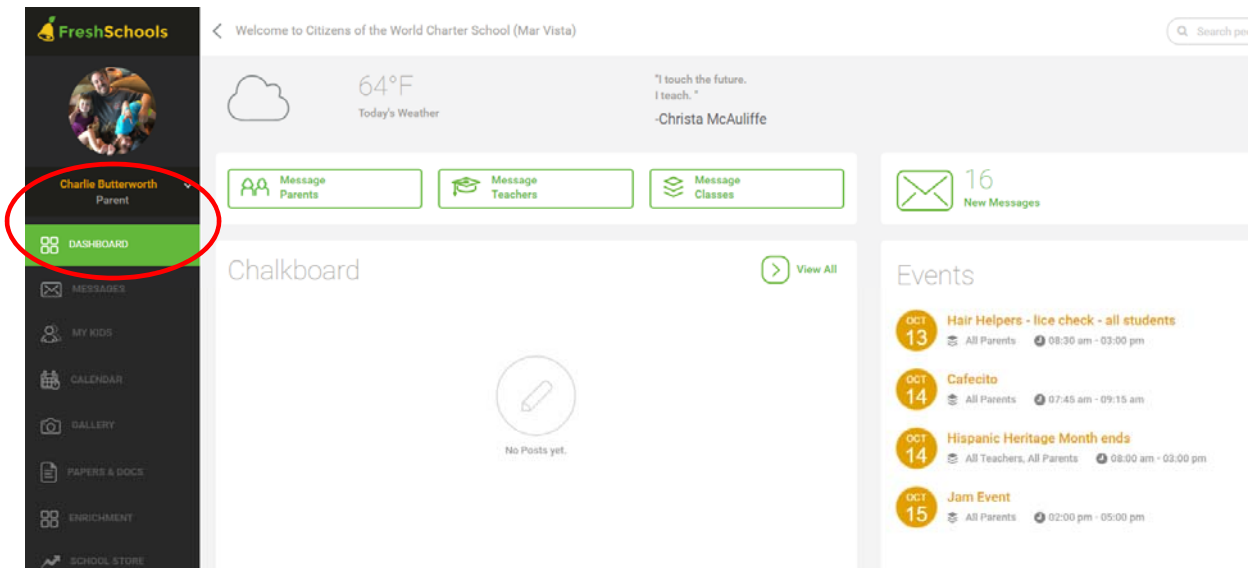

- 1 Go to <http://www.freshschools.com/> and click Login

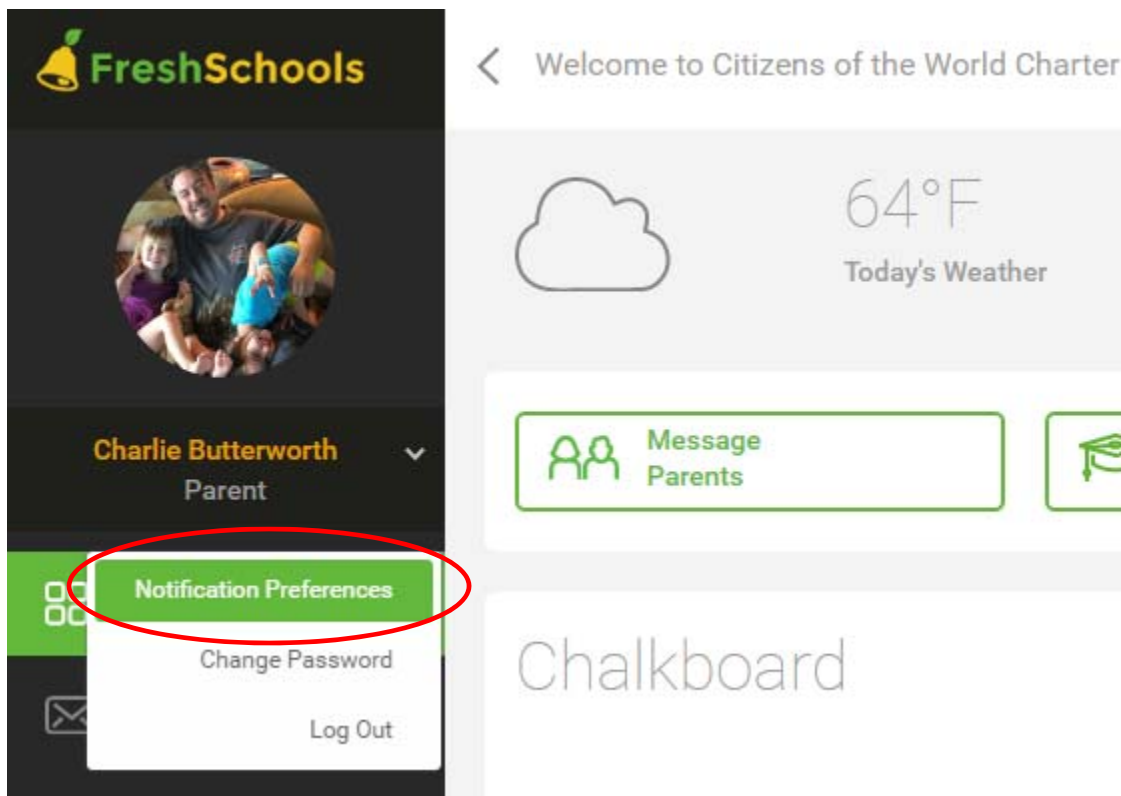

- 2 Enter your username and password

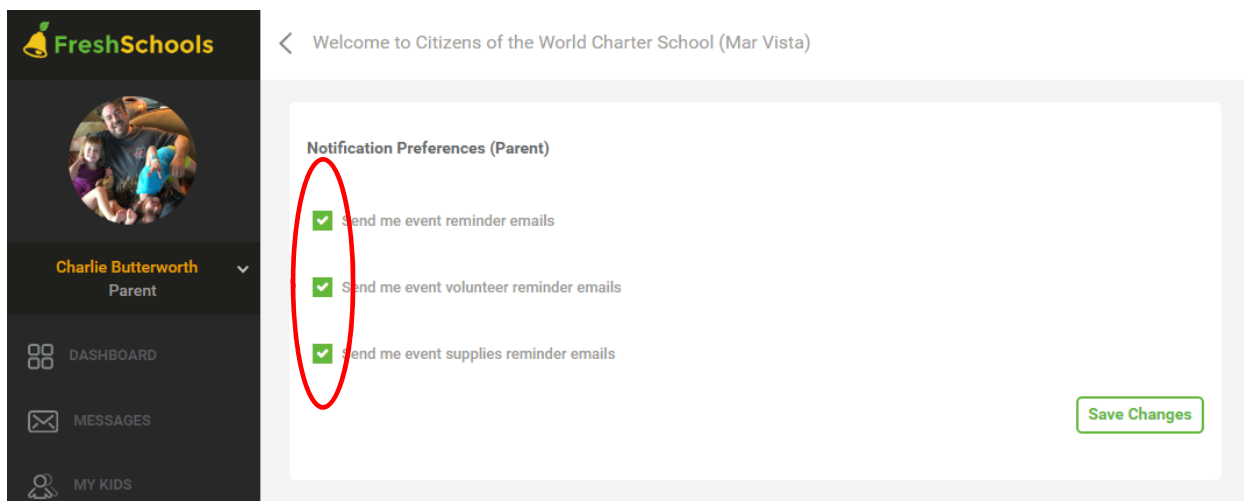

3 You will see your Dashboard

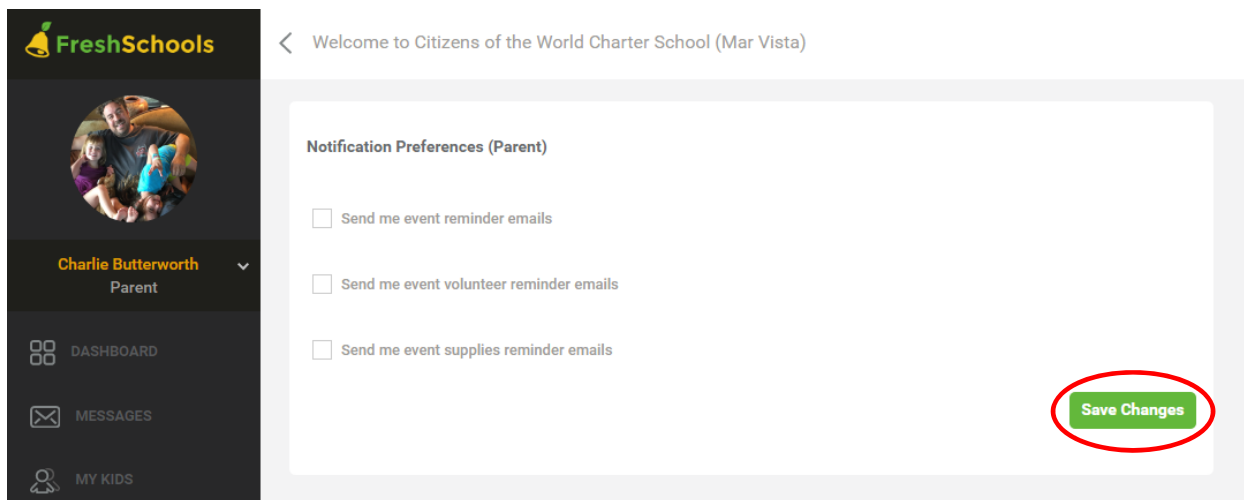

4 In the upper left hand corner under your name, click Parent and then Notification Preferences

5 Click on the green check marks next to the notifications you no longer want to receive. Events, reminders about specific events you have volunteered for, or reminders about specific events you have sign up to bring supplies for.

6 Click Save Changes

You are all set!

Email Claire at admin@cwcmarvista.org if you have any trouble at all!
