

DON'T LET YOUR **VOTE** BE **SILENCED**

DID YOU KNOW

You can be registered to vote federally, *but not locally?*

Arizona is one of a few states that require proof of citizenship in order to register to vote. This means a number of Arizona citizens are registered federally, but not locally. In fact, there are more voters in our district that aren't locally registered than in any other district in America. [It's time to make sure your voice is heard.](#)
