

I support DECENT WORK ...

Here are the commitments I expect from my federal candidate:

- A federal minimum wage of at least **\$20 per hour**, no exemptions
- At least **10 permanent, employer-paid sick days** each year
- An extension of the **Canada Recovery Benefit** for as long as workers need it
- The restoration and extension of the **\$500 weekly income support** for the Canada Recovery Benefits and for Employment Insurance
- Make our **Employment Insurance (EI) system fair** by eliminating unfair rules, reduce the hours requirement to 120 hours for all workers, and extend EI for 52 weeks
- Ensure **gig workers** have access to the same basic rights as regular workers, **stop misclassifying workers** as self-employed contractors
- **Equal pay** for part-time, contract, and temp agency workers to ensure workers receive the same pay as their full-time, directly-hired co-workers
- **Equal rights for migrants**, which means full immigration status for all and an end to arbitrary rules that deny workers their entitlements to EI and other programs
- **Indigenous justice** by implementing the United Nations Declaration on the Rights of Indigenous Peoples, ending federal court opposition to settling land claims, and respecting all treaties
