

Tired of *mowing* and *spraying* to get the *perfect lawn*? Want to *decrease* your *environmental footprint*? Come to this **FREE** event to learn more!

The Greenspace Advisory Commission Speaker Series presents:

Sustainable Turf

Feb 3 | 7:30 - 8:30pm

Webster Groves Community Center, 33 E. Glendale, Webster Groves, 63119

Join Glenn Kraemer to learn about:

- Turf grass types
- Renovation techniques
- Organic fertilizer options
- Mowing suggestions that help weed prevention
- Soil testing benefits

Glenn Kraemer is owner of GR Robinson Seed & Service Company, a horticultural supply and consulting company specializing in selling turf grass supplies to landscapers, municipalities, athletic associations, schools and cemeteries. The company also makes recommendations for maintaining turfgrass at homes and businesses.

Email ccoynestlcc.edu with questions.

Light refreshments will be served. Remember to bring your reusable water bottle!
