

Solidarity Sundays Takes Aim at 4%

(continued – March Newsletter)

Someone else will combine voter registration with a progressive bike ride through the Rust Belt from Wisconsin to Ohio. Another is inviting friends to brunch to sign them up over mimosas. There are plans to hold a pizza and phone banking afternoon, and to set up a table at the football stadium at a home game this fall.

Over slices of #GOTV My Way birthday cake, the crew moved from planning to doing. They broke out their pens and hand-wrote post cards. They reminded DAA members how easy it is to register and request ballots, and got through 144 cards.

Next month Solidarity Sunners will be reporting on how their made-to-measure initiatives worked out and writing in support of gun safety legislation. All are welcome to join this act of solidarity with the Parkland School activists. There are expectations of more cake. Sunday, March 25th from 4-6 pm, Amerlinghaus, Stiftgasse 8, 1070.
