

DEMOCRATS ABROAD

AMERICAS REGIONAL WORKSHOP

VOTING FROM ABROAD

October 25 - 26, 2019

Costa Rica

The Democrats Abroad Global Primary: An opportunity for you to help choose the candidate that will defeat Donald Trump in 2020. Democrats Abroad enjoys state status for purposes of the primaries and is called at the DNC convention after Delaware.

January 1, 2020 is the day we start registering voters for the November 2020 election and state primaries. Democrats Abroad Americas needs volunteers to help organize and run voting centers during our **DA** Global Primary March 3 – 10, 2020.

Voting Centers offer an unparalleled opportunity for Democrats Abroad to expand the reach of our message and increase our membership. This opportunity, available only once every four years, has led to significant growth and expansion in DA's past, most notably in 2016.

Never have the stakes been so high. We must win. One out of 25 races across the country were won or lost by a 1% or smaller margin in 2018, - the margin that US Citizens abroad bring to almost every Congressional District. We made a difference in 2018, and we can make a bigger one in 2020.

Casting a ballot is a compelling experience for Americans and an appealing image for local media. You are invited to take part in this effort. There are 50 states, each with their deadlines, rules, and regulations. At the workshop, Democrats Abroad will roll out a revamped version of the Vote from Abroad application that automatically fills in the correct information and applies the correct deadlines and regulations for each specific county and state.

Please read the information below and request your reservation forms. For those who live in the local area or have friends to stay with, hours are 8:00 am – 5:30 pm and the conference fee for the full two days including lunch and coffee breaks will be around \$110.

Don't miss this opportunity to meet active Democrats from all over the Americas and to make a real difference. You need to be there.
