Candidate Statement:

I am currently the Vice Chair of the Goettingen-Hannover Chapter as well as Secretary of Democrats Abroad Germany. My volunteer efforts with Democrats Abroad began when I took on the establishment of the Hannover Precinct in 2018. After helping to increase our membership and presence in the area, we were able to rename the chapter to include Hannover. I helped organize the very first Global Presidential Primary in Hannover, and I currently run our social media pages for the chapter. I am a native Texan who has called Germany home for 20 years. As a mother of two boys and an international school teacher, I am passionate about helping young people take action to make the world around them a better place. I hope that we can continue to increase the outreach in our Göttingen-Hannover region, in Germany and across the globe to ensure as many people as possible exercise their right to vote.
