Candidate Statement:

It has been a great honor serving as chair of this brand new chapter since its inception in June 2020. It had been a dream of mine for many years to have a DAG chapter in my area (Munich was too far away for me to get involved). I never thought I would end up chairing a chapter, but after serving as a voting center manager in the DA March Global Primary, I became more familiar with the operations of this wonderful organization. Being chair has required a lot of effort, training and time, but I have been fortunate to have the support of the most incredible leadership team one could ever wish for. I especially enjoy the communications aspect of the job - working on the monthly newsletter, meeting people, talking to the press, networking, getting people engaged in our efforts and activities. I hope you support me in leading the NCB chapter for the next two years.
