

I have known Sarah now for a decade; she held important positions for a couple of Munich choirs I am in, and she was always known for being very efficient, articulate, calm and engaged (not to mention vastly talented, personable, and witty, to boot). As a matter of fact, I don't know how they functioned before she came on board. She would be a major asset to the Democrats Abroad and I would highly recommend her for this role with the Democrats Abroad.
