

I am proud to endorse Sarah Mulloy to be a DPCA Voting Representative for Democrats Abroad Germany. I have gotten to know Sarah while working with since last summer on the DAG Twitter page. Sarah has been a great teammate on the DAG Twitter team and someone I have enjoyed working with.

Even though Sarah is fairly new to the organization, she has played a key role in developing the new North and Central Bavaria chapter. She has also proven to be a very engaged member. For example, Sarah regularly attends the numerous calls/meetings we have within DAG and is someone that is not afraid to ask questions. I believe she is truly interested in learning and understanding the various ins-and-outs of Democrats Abroad, and she also wants to help others become better acquainted with DA, too. I think that Sarah will take her role as DPCA Voting Representative very seriously and I am happy to endorse her to fill this position.
