

Sarah is one of the main drivers behind the founding of a new chapter of ours, the North and Central Bavaria Chapter. She serves as the NCB Vice Chair and was instrumental in the decision to make one large chapter, including both Nürnberg and Regensburg, thus ensuring the sustainability of leadership with two “hubs” in the chapter.

Chapter Chairs and Vice Chairs do the entire job of DA International at the local level, and as a former chapter chair myself, I can assure you that running one of DAG’s chapters is not an easy job. It’s one of the hardest jobs in all of DA. Because Germany is organized in a decentralized / “federal” way, I think it is also important to represent our chapters at the global level - to the extent possible.

I’ve seen Sarah work, and she will do an excellent job representing Germany at the global level. She is a good listener, and she is also able to ask tough questions. She has been attending the national and regional meetings and understands how things work at the global level. We would be lucky to have her as a DPCA Voting Representative, and I would recommend that you support her with your vote at the AGM.
