

I strongly endorse Emily Lines for Vice-Chair of Democrats Abroad Germany (DAG). I first met Emily when she was a volunteer for the DA Global meeting held in Berlin in 2016. I remember her running around making sure everything was going ok.

Since that time, I have seen her serve in various roles at the Berlin level, Germany level and also International level. She has done an outstanding job as our Events and Fundraising Coordinator. I have found her to be energetic, hard-working, smart, and dependable – just the traits we need in our all-volunteer organization. In addition, she is always pleasant and gets along with everyone (but not a push-over).

A country vice-chair is also a voting member of DA international. Emily is already keeping up-to-date on DA international issues and attended several international meetings.

I also feel confident that she could easily step into the shoes for the chair should the need arise.

I would appreciate your vote for Emily for DAG Vice-Chair.
